

LEE COLLET 2-DIE NECK SIZER SETS - LEE PRECISION 6.5X55MM SWEDISH COLLET 2-DIE NECK SIZER SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies. Maximum accuracy is usually achieved by seating the bullet out far enough to touch or almost touch the rifling. This provides the shot start pressure normally supplied by the crimp. That's why a dead length bullet seater is included to complete the most accurate reloading system ever made. These dies size only the neck to preserve the perfect fit of fire forming. Only reload cases that have been fired in your gun. Not recommended for autoloaders, slide or lever action guns.

Attributes

LEE COLLET 2DIE NECK SIZER SET Safety Instruction Guide

Introduction

Thank you for choosing the LEE COLLET 2DIE NECK SIZER SET for your reloading needs. This guide provides essential safety instructions and general guidelines to ensure safe and effective use of the product. Please read this manual carefully and keep it for future reference.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Keep the reloading area clean and organized to prevent accidents.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Store the dies in a safe, dry place away from children and pets.
- Do not use the dies for any other purpose than reloading 6.5 x 55 mm Swedish Mauser cartridges.
- Always check for wear and damage before use. Do not use damaged dies.
- If you encounter any issues or have questions regarding the product, please seek assistance immediately.

Specific Safety Precautions for Use

- Only reload cases that have been fired in your gun to ensure a proper fit and maximum safety.
- Avoid using the dies with autoloaders, slide, or lever action guns as this may lead to unsafe conditions.
- Make sure the reloading press is securely mounted and stable before beginning the reloading process.
- Handle all components, including bullets and powder, with care and according to their specific safety guidelines.
- Ensure that the workspace is wellventilated to avoid inhalation of any dust or fumes.
- Never exceed the recommended load data for the specific cartridge being reloaded.

Instructions for Installation and Usage

1. Setup

- Securely mount the reloading press on a stable surface.
- Gather all necessary components: LEE COLLET 2DIE NECK SIZER SET, cases, bullets, powder, and other reloading tools.

2. Installation of Dies

- Insert the sizing die into the press and tighten securely.
- Adjust the die according to the manufacturer's instructions to ensure proper sizing of the neck.

3. Reloading Process

- Inspect each case for damage or wear before reloading.
- Place the case into the press and operate the handle to size the neck.
- Remove the case and check for proper sizing.
- Proceed to seat the bullet using the dead length bullet seater included in the set.
- Ensure that the bullet is seated correctly and that the case neck maintains a proper fit.

4. Final Inspection

- After reloading, inspect each cartridge for any defects.
- Store completed cartridges in a safe location, clearly labeled with the load data.

Disposal Instructions

- Dispose of any unused or excess materials, including primers, powder, and damaged cartridges, in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash. Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the manufacturer's website or contact their customer service for assistance. Always ensure that you are following the most current safety guidelines and practices.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the LEE COLLET 2DIE NECK SIZER SET!
