

LEE COLLET 2-DIE NECK SIZER SETS - LEE PRECISION 30-06 SPRINGFIELD COLLET 2-DIE NECK SIZER SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies. Maximum accuracy is usually achieved by seating the bullet out far enough to touch or almost touch the rifling. This provides the shot start pressure normally supplied by the crimp. That's why a dead length bullet seater is included to complete the most accurate reloading system ever made. These dies size only the neck to preserve the perfect fit of fire forming. Only reload cases that have been fired in your gun. Not recommended for autoloaders, slide or lever action guns.

Attributes

Safety Instruction Guide for LEE COLLET 2DIE NECK SIZER SET

Introduction

Thank you for choosing the LEE COLLET 2DIE NECK SIZER SET for your reloading needs. This guide is designed to provide you with essential safety information, usage instructions, and disposal guidelines to ensure a safe and effective reloading experience. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that your workspace is clean and welllit to avoid accidents.
- Always wear appropriate safety gear, including safety glasses, when reloading ammunition.
- Keep the reloading area free from distractions and unauthorized personnel, especially children.
- Store all reloading components, including dies, in a safe place away from children and pets.
- Be aware of potential hazards associated with reloading, including exposure to lead and other chemicals.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Cartridge Compatibility:** This die set is designed specifically for the 3006 Springfield and 3006 Improved 40 cartridges. Do not use it with any other cartridge types.
- **Case Preparation:** Only reload cases that have been fired in your gun. Do not attempt to resize cases fired in other firearms.
- **Avoid Autoloaders:** This die set is not recommended for use with autoloaders, slide, or lever action guns.
- **Proper Handling:** Handle all components with care to avoid injury. Use the tools as intended and do not modify them.
- **Bullet Seating:** Maximum accuracy is achieved by seating the bullet out far enough to touch or almost touch the rifling. Follow the instructions carefully to avoid overseating.

Instructions for Installation and Usage

1. Setup:

- Mount the die set securely in your reloading press according to the manufacturer's instructions.
- Ensure that the press is stable and that all components are properly aligned.

2. Sizing the Cases:

- Insert the case into the die and apply steady pressure to size the neck of the case.
- Ensure that the collet squeezes the case neck against the precision mandrel for a perfect fit.

3. Bullet Seating:

- Use the included dead length bullet seater to ensure that bullets are seated accurately.
- Adjust the seating depth as needed to achieve the desired fit with the rifling.

4. Cleaning:

- After use, clean the dies with a soft cloth to remove any residue.
- Store the dies in a dry place to prevent rust and corrosion.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away reloading components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the LEE COLLET 2DIE NECK SIZER SET, please refer to the manufacturer's website or contact their customer support for assistance. Ensure you have your product details ready for a more efficient response.

By following these safety guidelines and instructions, you can ensure a safe and productive reloading experience. Thank you for your attention to safety, and happy reloading!
