

LEE COLLET 2-DIE NECK SIZER SETS - LEE PRECISION 7MM REM MAG COLLET 2-DIE NECK SIZER SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies. Maximum accuracy is usually achieved by seating the bullet out far enough to touch or almost touch the rifling. This provides the shot start pressure normally supplied by the crimp. That's why a dead length bullet seater is included to complete the most accurate reloading system ever made. These dies size only the neck to preserve the perfect fit of fire forming. Only reload cases that have been fired in your gun. Not recommended for autoloaders, slide or lever action guns.

Safety Instruction Guide for LEE COLLET 2DIE NECK SIZER SET

Introduction

Thank you for choosing the LEE COLLET 2DIE NECK SIZER SET. This product is designed to help you achieve maximum accuracy in your ammunition loading process. To ensure your safety and the effective use of this product, please read this guide thoroughly before use.

General Safety Guidelines

- Ensure you are familiar with the operation and maintenance of reloading equipment.
- Always wear appropriate safety gear, including eye protection, when reloading ammunition.
- Store all reloading components, including dies, in a secure location out of reach of children and pets.
- Follow all local laws and regulations regarding ammunition reloading and storage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the LEE COLLET 2DIE NECK SIZER SET with cases that have been fired in your specific firearm.
- Do not use this die set with autoloaders, slide, or lever action guns as it may not be suitable.
- Ensure the work area is clean and free from obstructions to avoid accidents.
- Be cautious of your fingers and hands when operating the die set, as they can be near moving parts.
- Do not attempt to modify or alter the die set in any way, as this may compromise safety and performance.
- Always check for proper fit and alignment before beginning the reloading process.

Instructions for Installation and Usage

1. Setup:

- Remove the LEE COLLET 2DIE NECK SIZER SET from its packaging.
- Inspect the dies for any damage or defects. If any issues are found, do not use the product.
- Securely mount the dies in your reloading press according to the manufacturer's instructions.

2. Reloading Process:

- Ensure you have the appropriate components for reloading, including cases, bullets, and powder.
- Follow these steps to size your cases:
 - Insert the case into the collet die and ensure it is seated properly.
 - Pull the handle of the reloading press to size the case neck.
 - Check the case for proper sizing and fit with the mandrel.
- Use the dead length bullet seater to ensure the bullet is seated to the correct depth.
- Always check the overall length of the cartridge after seating the bullet to ensure it meets specifications.

3. PostUsage:

- After reloading, clean the dies to remove any residue or debris.
- Store the dies in a safe location, preferably in their original packaging.

Disposal Instructions

- Dispose of any damaged or defective dies in accordance with local regulations.
- Recycle packaging materials where possible.
- Ensure that any used components, such as empty cases or bullets, are disposed of responsibly.

Contact Information for Further Support

For any safety inquiries or further information regarding the LEE COLLET 2DIE NECK SIZER SET, please refer to the manufacturer's official website or customer service resources.

By following these safety instructions, you can ensure a safe and effective reloading experience with your LEE COLLET 2DIE NECK SIZER SET. Thank you for your attention to safety and for choosing our product.
