

LEE COLLET 2-DIE NECK SIZER SETS - LEE PRECISION 300 WIN MAG COLLET 2-DIE NECK SIZER SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies. Maximum accuracy is usually achieved by seating the bullet out far enough to touch or almost touch the rifling. This provides the shot start pressure normally supplied by the crimp. That's why a dead length bullet seater is included to complete the most accurate reloading system ever made. These dies size only the neck to preserve the perfect fit of fire forming. Only reload cases that have been fired in your gun. Not recommended for autoloaders, slide or lever action guns.

Attributes

- Name: [LEE PRECISION 300 WIN MAG COLLET 2-DIE NECK SIZER SET](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100053177
- Mfr. No.: 90722

Safety Instruction Guide for LEE COLLET 2DIE NECK SIZER SET

Introduction

Thank you for choosing the LEE COLLET 2DIE NECK SIZER SET for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the dies and keep it for future reference.

General Safety Guidelines

- Ensure safe use of the product by following these general safety guidelines:
 - Always wear appropriate safety gear, including safety glasses, when handling reloading equipment.
 - Keep the reloading area clean and organized to prevent accidents.
 - Store all reloading materials, including powders and primers, in a safe and secure location away from children and unauthorized users.
 - Be aware of the specific characteristics of the ammunition you are reloading, including the cartridge type and specifications.
 - Do not exceed recommended loads; always refer to reliable reloading manuals.

Specific Safety Precautions for Use

- When using the LEE COLLET 2DIE NECK SIZER SET, please observe the following precautions:
 - Only use the dies with cases that have been fired in your specific firearm.
 - Avoid using the dies with autoloaders, slide, or lever action guns, as they may not be compatible.
 - Ensure that the collet die is properly adjusted before use to avoid damaging the cases.
 - Handle all components, including bullets and cases, with care to avoid injury.
 - Be cautious of any signs of excessive pressure during reloading, such as difficult extraction or flattened primers.

Instructions for Installation and Usage

- Follow these instructions for proper installation and usage of the LEE COLLET 2DIE NECK SIZER SET:
 1. **Setup:**
 - Secure the reloading press to a stable work surface.
 - Install the collet neck sizer die into the press according to the manufacturer's instructions.
 2. **Adjusting the Die:**
 - Adjust the die to ensure the correct amount of neck sizing. Refer to the die's instructions for specific settings.
 3. **Reloading Process:**
 - Insert a fired case into the shell holder.
 - Raise the ram to engage the die and size the neck of the case.
 - Lower the ram and remove the sized case.
 - Repeat the process for all cases you intend to reload.
 4. **Bullet Seating:**
 - Use the included dead length bullet seater for maximum accuracy.
 - Adjust the seating depth to ensure the bullet touches or is close to touching the rifling.
 5. **Final Check:**
 - Inspect all reloaded ammunition thoroughly before use to ensure safety and consistency.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not discard reloading materials in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

- For any inquiries regarding safety or product usage, please contact the manufacturer directly through their official communication channels.

Thank you for your attention to these safety guidelines. We wish you a safe and successful reloading experience with your LEE COLLET 2DIE NECK SIZER SET.
