

# LEE COLLET 2-DIE NECK SIZER SETS - LEE PRECISION 375 H&H MAG COLLET 2-DIE NECK SIZER SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies. Maximum accuracy is usually achieved by seating the bullet out far enough to touch or almost touch the rifling. This provides the shot start pressure normally supplied by the crimp. That's why a dead length bullet seater is included to complete the most accurate reloading system ever made. These dies size only the neck to preserve the perfect fit of fire forming. Only reload cases that have been fired in your gun. Not recommended for autoloaders, slide or lever action guns.

## Attributes

- Name: [LEE PRECISION 375 H&H MAG COLLET 2-DIE NECK SIZER SET](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100053183
- Mfr. No.: 90729

# Safety Instruction Guide for LEE COLLET 2DIE NECK SIZER SET

## Introduction

Thank you for choosing the LEE COLLET 2DIE NECK SIZER SET for your reloading needs. This guide provides essential safety instructions and precautions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Always ensure that your workspace is clean and organized to prevent accidents.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while reloading.
- Keep all reloading components, including powders, primers, and ammunition, out of reach of children and pets.
- Store the dies and other reloading equipment in a safe, dry place when not in use.
- Familiarize yourself with the operation of your firearm and follow all safety procedures related to its use.

## Specific Safety Precautions for Use

- Only use the LEE COLLET 2DIE NECK SIZER SET with cases that have been fired in your specific firearm.
- Do not use this die set with autoloaders, slide, or lever action guns, as it may not function safely or effectively.
- Ensure that the die is properly set up and adjusted before beginning the reloading process to avoid oversizing or undersizing the case neck.
- Always check the fit of the case after resizing to confirm proper neck tension before seating a bullet.
- Avoid using excessive force when resizing cases; this can damage the die or the cases.
- Do not exceed recommended load data when reloading ammunition, as this can lead to dangerous situations.

## Instructions for Installation and Usage

### 1. Setup of the Die Set

- Carefully unpack the die set and inspect for any damage.
- Mount the sizing die securely in your reloading press according to the manufacturer's instructions.
- Adjust the die to the desired height based on the specifications for your firearm.

### 2. Resizing Cases

- Ensure that the cases are clean and free of debris before resizing.
- Place the case into the shell holder and raise the ram to engage the die.
- Lower the ram to complete the resizing process, then remove the resized case.
- Inspect the case for proper neck tension and fit.

### 3. Seating Bullets

- Use the dead length bullet seater included in the set for optimal accuracy.
- Adjust the seating depth according to your load specifications, ensuring the bullet is seated to the proper depth.

### 4. Final Inspection

- After reloading, inspect each cartridge for overall quality, including bullet seating and neck tension.
- Store completed cartridges in a safe and organized manner.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of spent primers or powder in regular trash. Follow local hazardous waste disposal guidelines.
- Ensure that all packaging materials are recycled or disposed of properly.

## **Contact Information for Further Support**

For any questions or concerns regarding the LEE COLLET 2DIE NECK SIZER SET, please refer to the manufacturer's contact information provided with the product packaging.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable reloading experience with the LEE COLLET 2DIE NECK SIZER SET. Always prioritize safety and adhere to recommended practices to avoid accidents and ensure the best results in your reloading endeavors. Thank you for your attention to these important guidelines.
