

LEE COLLET 2-DIE NECK SIZER SETS - LEE PRECISION 260 REM COLLET 2-DIE NECK SIZER SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies. Maximum accuracy is usually achieved by seating the bullet out far enough to touch or almost touch the rifling. This provides the shot start pressure normally supplied by the crimp. That's why a dead length bullet seater is included to complete the most accurate reloading system ever made. These dies size only the neck to preserve the perfect fit of fire forming. Only reload cases that have been fired in your gun. Not recommended for autoloaders, slide or lever action guns.

Attributes

Safety Instruction Guide for LEE COLLET 2DIE NECK SIZER SET

Introduction

Thank you for choosing the LEE COLLET 2DIE NECK SIZER SET. This product is designed to help you reload ammunition with maximum accuracy. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information on safety precautions, usage instructions, and disposal methods.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product text.
- Always handle reloading equipment with care and follow all safety instructions to prevent accidents.
- Store the dies in a safe, dry place away from children and pets.
- Use protective eyewear when reloading ammunition to protect against potential hazards.
- Avoid distractions while using the dies to maintain focus and safety.
- Regularly inspect the dies for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the LEE COLLET 2DIE NECK SIZER SET with cases that have been fired in your specific firearm.
- Do not attempt to resize cases that have been fired in other firearms, as this may lead to improper fit and potential safety hazards.
- This product is not recommended for use with autoloaders, slide, or lever action guns.
- Ensure that the collet and mandrel are clean and free from debris before use to maintain accuracy.
- Avoid using excessive force when sizing cases, as this can lead to damage to the dies or cases.
- Always follow the recommended procedures for seating bullets to achieve maximum accuracy and safety.

Instructions for Installation and Usage

1. **Preparation:** Gather all necessary materials, including the LEE COLLET 2DIE NECK SIZER SET, reloading press, cases, and bullets.
2. **Installation:**
 - Attach the sizing die to your reloading press according to the manufacturer's instructions.
 - Ensure that the die is securely fastened and properly aligned.
3. **Sizing Cases:**
 - Insert a fired case into the shell holder of the press.
 - Raise the ram to bring the case into contact with the die.
 - Apply gentle pressure until the case is fully sized.
 - Remove the sized case and inspect it for any defects.
4. **Seating Bullets:**
 - Use the included dead length bullet seater for maximum accuracy.
 - Adjust the seating depth to ensure the bullet is seated properly.
 - Verify that the bullet is seated to the desired length before proceeding.
5. **Final Inspection:** After reloading, inspect all finished ammunition for quality and safety before use.

Disposal Instructions

- Dispose of any damaged or worn dies according to local regulations.
- Do not throw away hazardous materials in regular trash; check local guidelines for proper disposal methods.
- Ensure that all components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the LEE COLLET 2DIE NECK SIZER SET, please consult the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety instructions. Enjoy reloading with the LEE COLLET 2DIE NECK SIZER SET!
