PISTOL CARBIDE 3 DIE SET Safety Instructions

Introduction

Thank you for choosing the PISTOL CARBIDE 3 DIE SET by LEE PRECISION. This product is designed for reloading 38 S&W cartridges safely and efficiently. Please read this safety instruction guide carefully to ensure safe use and proper handling of the product.

General Safety Guidelines

- Always handle all reloading equipment with care and respect.
- Keep the workspace clean and organized to prevent accidents.
- Ensure that all tools and components are in good condition before use.
- Store all reloading components, including dies, in a secure place away from children and pets.
- Be aware of your surroundings and ensure a safe environment for reloading.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- **Carbide Dies:** These dies do not require sizing lube, but ensure that they are clean and free from debris before use.
- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, such as safety glasses, to protect your eyes from potential debris.
- **Ventilation:** Ensure that your reloading area is wellventilated to avoid inhalation of any powders or chemicals.
- **Children and Vulnerable Groups:** Keep the die set and all reloading components out of reach of children and vulnerable individuals.
- **Emergency Procedures:** Familiarize yourself with emergency procedures in case of accidents or malfunctions during the reloading process.

Instructions for Installation and Usage

1. **Unpacking the Die Set:** Carefully remove the die set from its packaging. Inspect all components for damage.
2. **Setup:**
 - Install the Carbide Full Length Sizing Die into your reloading press according to the manufacturer's instructions.
 - Attach the Bullet Seating Die and Powder Thru Expanding Die in the same manner.
3. **Shell Holder:** Insert the appropriate shell holder into the reloading press.
4. **Powder Dipper:** Use the powder dipper for measuring and dispensing powder as per load data.
5. **Loading Process:**
 - Follow the stepbystep loading process outlined in the instructions/load data provided with the die set.
 - Always doublecheck measurements and settings before proceeding with reloading.
6. **PostUse Care:** After use, clean the dies and store them in a safe place. Ensure that all components are properly stored and secured.

Disposal Instructions

- Dispose of any unused or expired reloading components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact local waste management authorities for guidance on the proper disposal of hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the PISTOL CARBIDE 3 DIE SET, please refer to the information provided on the packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you will help ensure a safe and effective reloading experience. Always prioritize safety and adhere to best practices while using the PISTOL CARBIDE 3 DIE SET.
