# PISTOL CARBIDE 3 DIE SET Safety Instruction Guide

## Introduction

Thank you for choosing the PISTOL CARBIDE 3 DIE SET by LEE PRECISION. This guide provides essential safety instructions and guidelines to ensure the safe use of your die set. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure all users are familiar with firearm safety and reloading practices.
- Always wear appropriate safety gear, including safety glasses and gloves, when using this product.
- Store the die set and all related components in a secure location, out of reach of children and unauthorized users.
- Inspect the die set and its components for any damage before each use.
- Do not modify the die set or use it for purposes other than intended.

## Specific Safety Precautions for Use

- **Carbide Dies:** These dies do not require sizing lube, but ensure they are clean and free of debris before use.
- **Handling Components:** Handle all components with care to avoid injury. Use appropriate tools when necessary.
- **Reloading Environment:** Ensure your reloading area is wellventilated and free from flammable materials.
- **Avoid Distractions:** Focus on the reloading process without distractions to minimize the risk of accidents.
- **Follow Load Data:** Always refer to the included load data and instructions to ensure proper usage and safety.

## Instructions for Installation and Usage

### 1. Setup:

- Open the package and verify all components are included: Carbide Full Length Sizing Die, Bullet Seating Die, Powder Thru Expanding Die, Shell Holder, Powder Dipper, and Instructions/Load Data.
- Clean all components with a suitable solvent to remove any manufacturing residue.

### 2. Installation:

- Install the Carbide Full Length Sizing Die into your reloading press according to the press manufacturer's instructions.
- Adjust the die to the correct height for sizing cases, ensuring it contacts the shell holder properly.

### 3. Using the Dies:

- **Sizing:** Insert the case into the shell holder and operate the press to size the case.
- **Expanding:** Use the Powder Thru Expanding Die to expand the case mouth for bullet seating.
- **Seating:** Adjust the Bullet Seating Die to seat the bullet to the desired depth.
- Follow the load data provided to ensure safe powder charges and bullet weights.

### 4. PostUse:

- Clean the dies after use to prevent corrosion and maintain performance.
- Store the dies in a safe and dry location.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not throw the dies or components in regular household waste. Check for recycling options or hazardous waste disposal sites.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the PISTOL CARBIDE 3 DIE SET, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience. Thank you for choosing LEE PRECISION.
