

# PISTOL CARBIDE FACTORY CRIMP DIES - LEE PRECISION LEE CARBDIE FACTORY CRIMP DIE, 38 SUPER

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

Sizes the cartridge while being crimped so every round will positively chamber freely with factory like dependability. The adjusting screw quickly and easily sets the desired amount of crimp. Trim Length is not critical so this extra operation takes less time than it would if cases were trimmed and chamfered. A firm crimp is essential for dependable and accurate ammunition, as it eliminates the problems of poor ignition of slow burning magnum powders. Made of steel and features an internal carbide ring. Carbide dies do not require the use of case lube.

## Attributes

- Name: [LEE PRECISION LEE CARBDIE FACTORY CRIMP DIE, 38 SUPER](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100053208

# PISTOL CARBIDE FACTORY CRIMP DIES LEE PRECISION Safety Instruction Guide

## Introduction

Thank you for choosing the PISTOL CARBIDE FACTORY CRIMP DIES by LEE PRECISION. This product is designed to size and crimp cartridges for reliable ammunition performance. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Product Safety:** This product is designed for safe use in accordance with the EU General Product Safety Regulation (GPSR). Ensure that you follow all safety instructions to minimize risks.
- Enhanced Recalls:** In case of any safety concerns or product recalls, standardized notices will be provided. Check for updates regularly.
- Online Shopping:** If you purchase this product online, ensure that the seller complies with all safety requirements applicable to physical stores.
- Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- EU Contact Point:** For safety inquiries, please refer to the relevant EU contact points provided by your seller or manufacturer.
- Rapid Alerts:** Stay informed about any unsafe product alerts through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use Personal Protective Equipment (PPE):** Always wear safety glasses and appropriate gloves when handling ammunition and reloading equipment.
- Work in a WellVentilated Area:** Ensure that your workspace is wellventilated to avoid inhalation of any fumes or particles.
- Avoid Distractions:** Focus on the reloading process and avoid distractions to prevent accidents.
- Inspect Equipment Regularly:** Check the crimp die and other reloading equipment for wear and damage before each use.
- Store Properly:** Keep the die and all reloading components in a secure and dry location to prevent damage and accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted.
- Insert the carbide factory crimp die into the press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during use.

### 2. Usage:

- Adjust the crimping screw to set the desired amount of crimp. This adjustment should be done carefully to ensure consistent crimping across all cartridges.
- Place a cartridge in the press and operate it according to your reloading procedure. Ensure that the cartridge is properly sized and crimped.
- Inspect each cartridge after crimping to ensure that it has been crimped correctly and that there are no signs of damage.

### 3. Maintenance:

- Clean the die after use to remove any residue.
- Store the die in a protective case or designated area to prevent damage.

## **Disposal Instructions**

- Dispose of used cartridges and any waste materials in accordance with local regulations.
- Do not dispose of ammunition components in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For questions or concerns regarding the PISTOL CARBIDE FACTORY CRIMP DIES or for safety inquiries, please refer to your seller or the manufacturer's contact points.

By following these safety instructions, you can ensure a safe and effective reloading experience with your PISTOL CARBIDE FACTORY CRIMP DIES. Thank you for your attention to safety and for choosing LEE PRECISION products.
