Safety Instruction Guide for STEEL 3DIE PISTOL DIE SETS LEE PRECISION .44/40 FULL LENGTH SIZING 3DIE SET STEEL

Introduction

Thank you for choosing the Lee Steel 3DIE Pistol Die Set. This product is designed for reloading .44/40 Winchester cartridges. It includes a Full Length Sizing Die, Bullet Seating Die, Powder Through Expanding Die, Universal Shell Holder, Powder Dipper, and Instructions/Load Data. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle reloading equipment with care and follow all safety instructions.
- Ensure you are using the correct components and tools for your specific cartridge.
- Store all reloading components in a secure location, away from children and unauthorized users.
- Use personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Familiarize yourself with the reloading process before beginning.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Ensure that dies are properly installed before use to avoid malfunction.
 - Be aware that steel dies require lubrication of cases to prevent sticking.
- **Avoiding Hazards:**
 - Do not exceed recommended load data provided in the instructions.
 - Keep your workspace clean and organized to prevent accidents.
 - Never leave reloading equipment unattended while in use.
 - Ensure that no unauthorized persons are in the vicinity when reloading.
- **Age and Audience Specific Warnings:**
 - This product is not intended for use by individuals under the age of 18.
 - Ensure that inexperienced users are supervised by an experienced reloader.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure your reloading press is securely mounted and stable.
 2. Install the Full Length Sizing Die into the press according to the manufacturer's instructions.
 3. Insert the Universal Shell Holder into the ram of the press.
 4. Install the Bullet Seating Die and Powder Through Expanding Die following the same procedure.
 5. Check that all dies are tightened properly to avoid movement during use.
- **Usage:**

1. Lubricate the cases before sizing to prevent sticking in the die.
2. Follow the load data provided to ensure safe and effective reloading.
3. Use the Powder Dipper to measure powder accurately.
4. After seating bullets, inspect each cartridge for proper seating depth and alignment.
5. Store completed cartridges in a safe and secure manner.

Disposal Instructions

- Dispose of any unused or expired reloading components according to local regulations.
- Do not dispose of hazardous materials in regular waste; check for local hazardous waste disposal facilities.
- Ensure that all packaging materials are recycled or disposed of properly.

Contact Information for Further Support

For any inquiries regarding safety or usage, please refer to the EU-based contact point provided with your product. Ensure you have your product information available for any support requests.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your reloading experience with the Lee Steel 3DIE Pistol Die Set!
