Safety Instruction Guide for UNIVERSAL SHELL HOLDERS LEE PRECISION LEE UNIVERSAL SHELLHOLDER, #13

Introduction

Thank you for choosing the UNIVERSAL SHELL HOLDERS LEE PRECISION LEE UNIVERSAL SHELLHOLDER, #13. This product is designed to enhance your reloading experience. However, it is essential to use it safely and responsibly. This guide provides important safety instructions and information to help you use this product effectively while minimizing risks.

General Safety Guidelines

- Ensure that all nonfood products, including this shell holder, are used safely and in accordance with the guidelines provided.
- Be aware of potential hazards associated with reloading equipment, including but not limited to, the risk of injury from improper handling or malfunction.
- If you are shopping online, ensure that the retailer complies with safety standards similar to those in physical stores.
- Special care should be taken when children are present, as they may not understand the dangers associated with reloading equipment.
- Always check for product recalls or safety updates on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always read and follow the manufacturer's instructions before using the shell holder.
- Ensure that the shell holder is compatible with your reloading press. This shell holder is not compatible with the Lee Auto Prime.
- Inspect the shell holder for any damage before use. Do not use if damaged.
- Wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the shell holder and all reloading materials out of reach of children and unauthorized users.
- Do not exceed the recommended cartridge specifications for the shell holder.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is turned off and unplugged.
- Locate the shell holder socket on your reloading press.
- Insert the UNIVERSAL SHELL HOLDER into the socket, ensuring it is seated properly.
- Secure the shell holder as per your reloading press's instructions.

2. Usage:

- Always operate your reloading press in a wellventilated area.
- Follow the reloading press's instructions for setting up the press and using the shell holder.
- Load only the specified cartridge type (45 Auto Rim) into the shell holder.
- Monitor the reloading process closely to avoid any mishaps or accidents.
- After use, remove the shell holder from the press and store it in a safe location.

Disposal Instructions

- Dispose of the shell holder according to local regulations.
- If the shell holder is damaged or no longer in use, consider recycling it if possible.
- Do not dispose of the shell holder in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any safety inquiries or further support regarding the UNIVERSAL SHELL HOLDERS LEE PRECISION LEE UNIVERSAL SHELLHOLDER, #13, please refer to the contact information provided by the retailer or manufacturer.

By following these safety instructions, you can ensure a safer reloading experience with your UNIVERSAL SHELL HOLDERS LEE PRECISION LEE UNIVERSAL SHELLHOLDER, #13. Thank you for your attention to these important safety guidelines.
