## Safety Instruction Guide

### Introduction

Thank you for choosing the AUTO PRIME SHELLHOLDERS from LEE PRECISION. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your shellholders. Please read this document carefully and keep it for future reference.

### General Safety Guidelines

- Ensure that the AUTO PRIME SHELLHOLDERS are used only for their intended purpose.
- Always follow the manufacturer's instructions and guidelines for use.
- Inspect the shellholders before each use to ensure they are in good condition.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

### Specific Safety Precautions for Use

- Use the shellholders only with compatible priming tools as specified by the manufacturer.
- Avoid using damaged or worn shellholders, as they may cause malfunctions or accidents.
- Always wear appropriate safety gear, such as safety glasses, when handling ammunition components.
- Ensure that your workspace is clean and organized to prevent accidents.
- Do not exceed the recommended specifications for use, including pressure and compatibility with specific cartridge types.
- Be aware of your surroundings and ensure that no unauthorized individuals are present during use.

### Instructions for Installation and Usage

#### 1. Installation of Shellholders:

- Ensure that the priming tool is unplugged or not operational before installation.
- Select the appropriate shellholder from the storage box.
- Align the shellholder with the priming tool's designated slot.
- Firmly press the shellholder into place until it clicks or locks securely.

#### 2. Using Shellholders:

- Load the shellholder with the compatible cartridge case as specified in the Lee Shellholder Chart.
- Follow the instructions for your priming tool to proceed with the priming process.
- After use, remove the shellholder from the priming tool carefully.

#### 3. PostUse Care:

- Clean the shellholders with a soft cloth to remove any debris or residue.
- Store the shellholders in the designated storage box to prevent damage and ensure easy access.

### Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations for metal waste.
- Do not throw shellholders in regular household waste. Instead, check for local recycling programs that accept metal products.

- Ensure that all components are disposed of safely to prevent environmental contamination.

## **Contact Information for Further Support**

For safety inquiries or further assistance regarding the AUTO PRIME SHELLHOLDERS, please reach out to the manufacturer or consult the product packaging for further contact details.

Please remember that safety is paramount when using any tools or products. Following these guidelines will help ensure a safe and enjoyable experience with your AUTO PRIME SHELLHOLDERS. Thank you for your attention to these important safety instructions.
