

6 CAVITY HANDGUN MOULDS - LEE PRECISION 40 CALIBER (0.401") 175GR SWC 6-CAVITY MOLD

[Reloading](#) > [Bullet Casting](#) > [Casting Moulds](#) > [Handgun Moulds](#)

The Lee 6 Cavity Handgun moulds are made for heavy duty volume production. Moulds and blocks have steel bushings and alignment pins for lasting precision. Price includes a cam operated sprue plate to eliminate the pounding common to ordinary moulds. The sprue plate is hard anodized and held down with wave washers at each end. All Lee mould blocks are made from aluminum because of its exceptional moulding qualities. All mould cavities are CNC machined for unmatched roundness and size control. Does not include handles.

Attributes

- Name: [LEE PRECISION 40 CALIBER \(0.401"\) 175GR SWC 6-CAVITY MOLD](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100053347
- Mfr. No.: 90433
- Bullet Style: Semi-Wadcutter (SWC)
- Bullet Weight (Grains): 175
- Caliber: 10mm,40 Caliber
- Cavities: 6
- Diameter (in): 0.401
- Delivery weight: 0.522kg
- Shipping height: 46mm
- Shipping width: 112mm
- Shipping length: 340mm
- UPC: 734307904333

Safety Instruction Guide for 6 Cavity Handgun Moulds

Introduction

Thank you for choosing the Lee 6 Cavity Handgun Moulds. This guide provides important safety instructions and information to ensure safe and effective use of the product. Please read this document carefully before using the moulds.

General Safety Guidelines

- Ensure that the moulds are used only for their intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the moulds.
- Keep the work area clean and welllit to avoid accidents.
- Store the moulds in a dry and secure place, away from children and pets.
- Regularly inspect the moulds for any signs of wear or damage. Do not use damaged moulds.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Specific Safety Precautions for Use

- Do not exceed the recommended temperature limits during the casting process to avoid burns or other injuries.
- Be cautious when handling molten metal; it can cause severe burns.
- Ensure that the mould is properly secured before pouring to prevent spills and accidents.
- Use caution when operating the sprue plate to avoid pinching fingers or causing injury.
- If you are new to casting, seek guidance from experienced users or instructional materials to understand the process fully.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the work area is clean and free of any flammable materials.
- Gather all necessary tools and materials before starting.

2. Setting Up the Mould:

- Place the mould on a stable, heatresistant surface.
- Ensure that the sprue plate is properly installed and secured.

3. Heating the Mould:

- Preheat the mould to the recommended temperature using a suitable heat source.
- Monitor the temperature using a thermometer to prevent overheating.

4. Casting Process:

- Carefully pour molten metal into the mould cavities, ensuring even distribution.
- Allow the metal to cool and solidify according to the recommended time for the specific alloy used.

5. Removing Cast Bullets:

- Once cooled, carefully open the mould and remove the cast bullets.

- Use caution to avoid damaging the mould or injuring yourself.

6. Cleaning the Mould:

- After use, clean the mould with a suitable solvent to remove any residue.
- Store the mould in a dry place to prevent corrosion.

Disposal Instructions

- Dispose of any damaged or unusable moulds in accordance with local regulations.
- Recycle materials where possible, ensuring that any hazardous materials are handled properly.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the use of the Lee 6 Cavity Handgun Moulds, please refer to the manufacturer's contact details provided on the packaging or product documentation.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience while using the Lee 6 Cavity Handgun Moulds. Always prioritize safety and adhere to local regulations when engaging in casting activities. Thank you for your attention and enjoy your casting experience!
