

6 CAVITY HANDGUN MOULDS - LEE PRECISION 9MM (0.356") 124GR 2-RADIUS OGIVE 6-CAVITY MOLD

[Reloading](#) > [Bullet Casting](#) > [Casting Moulds](#) > [Handgun Moulds](#)

The Lee 6 Cavity Handgun moulds are made for heavy duty volume production. Moulds and blocks have steel bushings and alignment pins for lasting precision. Price includes a cam operated sprue plate to eliminate the pounding common to ordinary moulds. The sprue plate is hard anodized and held down with wave washers at each end. All Lee mould blocks are made from aluminum because of its exceptional moulding qualities. All mould cavities are CNC machined for unmatched roundness and size control. Does not include handles.

Attributes

- Name: [LEE PRECISION 9MM \(0.356"\) 124GR 2-RADIUS OGIVE 6-CAVITY MOLD](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100053349
- Mfr. No.: 90465
- Bullet Style: -
- Bullet Weight (Grains): 124
- Caliber: 380 Caliber, 9mm
- Cavities: 6
- Diameter (in): 0.356
- Delivery weight: 0.542kg
- Shipping height: 44mm
- Shipping width: 108mm
- Shipping length: 339mm
- UPC: 734307904654

Safety Instruction Guide for 6 Cavity Handgun Moulds Lee Precision 9mm (0.356") 124gr 2Radius Ogive

Introduction

Thank you for choosing the Lee 6 Cavity Handgun Moulds. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read the entire guide carefully before using the moulds.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe usage.
- Ensure that the mould is used in a wellventilated area to avoid inhaling any fumes.
- Keep the mould out of reach of children and vulnerable individuals.
- Inspect the mould regularly for signs of wear or damage.
- Use appropriate personal protective equipment (PPE) including gloves and safety glasses when handling the mould.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Heat Resistance:** The mould can become very hot during use. Always use heatresistant gloves when handling the mould after use.
- **Sharp Edges:** The mould may have sharp edges. Exercise caution to avoid cuts.
- **Proper Handling:** Use both hands when lifting or moving the mould to prevent accidents.
- **Cooling:** Allow the mould to cool completely before cleaning or storing.
- **Chemical Safety:** Avoid using any chemical substances that are not recommended by the manufacturer for cleaning or maintenance.

Instructions for Installation and Usage

1. Preparation:

- Ensure your workspace is clean and wellorganized.
- Gather all necessary tools and materials before starting.

2. Installation:

- Secure the mould in a stable position on a flat surface.
- Ensure that the mould is properly aligned and that the sprue plate is functioning correctly.

3. Usage:

- Preheat the mould according to the manufacturer's guidelines.
- Pour the casting material into the mould cavities carefully to avoid spills.
- Allow the material to set as per the recommended time before removing the castings.
- Use a sprue cutter to remove excess material safely.

4. PostUsage:

- Clean the mould with a soft brush and mild detergent. Avoid abrasive materials that may scratch

the surface.

- Store the mould in a dry, cool place, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any waste materials generated during the casting process according to local regulations.
- Do not dispose of the mould in regular household waste if it is damaged. Contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries or assistance regarding the Lee 6 Cavity Handgun Moulds, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience when using the Lee 6 Cavity Handgun Moulds. Always prioritize safety and adhere to the guidelines provided in this document. Thank you for your attention to these important safety measures.
