

# DELUXE QUICK TRIM CASE TRIMMER - LEE PRECISION LEE DELUXE QUICK TRIM

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The Lee Deluxe Quick trim case trimmer quickly and precisely trims your brass to the correct length at the same time it chamfers the inside and outside of the case mouth. No calipers, measurement or adjustment is required simply install the appropriate quick trim die in your press and start trimming. A click adjustable stop allows trim length adjustment in .001 of an inch increments. This allows the user to shorten the case to a uniform shorter length than standard reducing the trimming frequency. Includes snap on chip catcher.

# Safety Instruction Guide for Lee Deluxe Quick Trim Case Trimmer

## Introduction

Thank you for choosing the Lee Deluxe Quick Trim Case Trimmer. This tool is designed to help you trim your brass cases quickly and accurately. To ensure safe and effective use of this product, please read and follow the guidelines outlined in this safety instruction guide.

## General Safety Guidelines

- Always read and understand the product manual before use.
- Keep the trimmer and all its components out of reach of children.
- Use the product only for its intended purpose.
- Inspect the trimmer for any damage before use. Do not use if damaged.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses.
- Ensure your work area is clean and free from distractions.
- Store the trimmer in a dry place when not in use.

## Specific Safety Precautions for Use

- **Hazardous Parts:** The cutting components can be sharp. Handle with care to avoid cuts or injuries.
- **Injury Risk:** Keep hands and other body parts away from the cutting area during operation.
- **Electrical Safety:** If using an electric press, ensure that all electrical connections are secure and in good condition.
- **Dust Exposure:** Brass shavings can create dust. Use a vacuum or damp cloth to clean the area after trimming.
- **Proper Setup:** Ensure the trimmer is securely mounted to your press before use to avoid accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Unpack the Lee Deluxe Quick Trim Case Trimmer and all included components.
- Select the appropriate quick trim die for your brass case size.
- Install the quick trim die into your reloading press according to the press manufacturer's instructions.
- Ensure the die is tightly secured before proceeding.

### 2. Using the Trimmer:

- Adjust the click adjustable stop to set your desired trim length in .001 inch increments.
- Place the brass case into the trimmer's holder.
- Activate the press to begin trimming the case.
- Monitor the trimming process to ensure uniformity and safety.
- After trimming, use the chip catcher to collect brass shavings.

### 3. PostUse:

- Unplug the press if it is electric and clean the trimmer and workspace.
- Store the trimmer and components in a safe, dry location.

## Disposal Instructions

- Dispose of any nonreusable components in accordance with local regulations.
- Collect and recycle brass shavings where possible.
- Do not dispose of the trimmer in regular household waste.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Lee Deluxe Quick Trim Case Trimmer, please contact the manufacturer through the provided channels.

Please ensure you follow these guidelines to maintain a safe working environment and enjoy using your Lee Deluxe Quick Trim Case Trimmer. Thank you for your attention to safety!
