Safety Instruction Guide for QUICK TRIM DIES LEE PRECISION 45 AUTO QUICK TRIM DIE

Introduction

Thank you for choosing the QUICK TRIM DIES LEE PRECISION 45 AUTO QUICK TRIM DIE. This product is designed for use with the Lee Deluxe and Lee Value Trim Case Trimmers. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding product safety, usage precautions, and disposal instructions.

General Safety Guidelines

- Always read and understand all instructions before using the product.
- Ensure that the product is used for its intended purpose only.
- Keep the product out of the reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage before use.
- In case of any malfunction or damage, discontinue use immediately and seek advice.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the QUICK TRIM DIES only with compatible Lee Case Trimmers to avoid accidents.
- Wear appropriate safety gear, including safety glasses and gloves, while operating the product.
- Ensure that your workspace is clean and free of any clutter that could cause accidents.
- Avoid wearing loose clothing or jewelry that could get caught in the machinery.
- Do not attempt to modify or repair the product yourself. Seek professional help if necessary.
- Always follow the manufacturer's instructions for operation and maintenance.

Instructions for Installation and Usage

• Installation:

1. Ensure the Lee Case Trimmer is securely mounted to a stable surface.
2. Select the appropriate QUICK TRIM DIE for your cartridge (45 Auto).
3. Attach the die to the trimmer according to the manufacturer's guidelines.
4. Tighten all connections to ensure stability during operation.

• Usage:

1. Prepare your cases by ensuring they are clean and free from obstructions.
2. Insert the case into the trimmer securely.
3. Activate the trimmer according to the instructions provided by the manufacturer.
4. Monitor the trimming process closely to ensure proper operation.
5. Once trimming is complete, carefully remove the case and inspect it for any defects.

Disposal Instructions

- Dispose of the product according to local regulations for nonfood items.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling options where available.
- Ensure that any hazardous materials are handled in accordance with local safety guidelines.

Contact Information for Further Support

For any inquiries regarding the QUICK TRIM DIES LEE PRECISION 45 AUTO QUICK TRIM DIE, please refer to the manufacturer's official website or contact their customer support for assistance.
