Safety Instruction Guide for QUICK TRIM DIES LEE PRECISION .38 SPECIAL QUICK TRIM DIE

Introduction

Thank you for choosing the Lee Quick Trim Dies for your reloading needs. This product is designed to enhance your reloading experience with safety and efficiency. Please read this safety instruction guide carefully to ensure the proper and safe use of the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of the Lee Deluxe and Lee Value Trim Case Trimmers before using the Quick Trim Dies.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Quick Trim Dies for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- Avoid using the Quick Trim Dies with any cartridge other than .38 Special, as this may lead to malfunction or injury.
- Do not force the die into the trimmer; it should fit snugly without excessive pressure.
- Ensure the trimmer is securely mounted and stable before using the Quick Trim Die.
- Always keep your hands clear of the cutting area when operating the trimmer with the Quick Trim Die attached.
- If you experience any difficulty or notice unusual sounds during operation, stop using the product immediately and inspect it for issues.

Instructions for Installation and Usage

1. Installation:

- Ensure the trimmer is unplugged or not connected to any power source.
- Remove the existing die from the trimmer if applicable.
- Insert the Quick Trim Die into the trimmer according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during operation.

2. Usage:

- Load the .38 Special cartridge into the trimmer as per the instructions provided with the trimmer.
- Activate the trimmer according to its operating instructions.
- Monitor the trimming process closely, ensuring your hands remain clear of moving parts.
- Once trimming is complete, turn off the trimmer and carefully remove the cartridge.

Disposal Instructions

- Dispose of any damaged or worn Quick Trim Dies in accordance with local regulations for metal disposal.
- Do not throw the product into regular waste. Instead, consider recycling if possible.
- Ensure that all packaging materials are disposed of responsibly.

Contact Information for Further Support

For any inquiries or concerns regarding the Quick Trim Dies or safety issues, please refer to the manufacturer's contact information provided on the product packaging or the official website.

By following these safety instructions, you can ensure a safe and effective reloading experience with the Lee Quick Trim Dies. Always prioritize safety and stay informed about best practices in ammunition reloading.
