CLASSIC CAST .50 BMG PRESS KIT Safety Instructions

Introduction

Thank you for choosing the CLASSIC CAST .50 BMG PRESS KIT by Lee Precision. This reloading kit is designed for safe and efficient reloading of .50 BMG cartridges. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the reloading area is wellventilated and free from distractions.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment and materials.
- Keep the reloading kit out of reach of children and pets to prevent accidents.
- Store all components, including powders and primers, in a secure location, following manufacturer guidelines.
- Regularly inspect the equipment for wear and tear. Replace any damaged parts immediately.
- Follow all local laws and regulations regarding the reloading of ammunition.
- Be aware of the potential hazards associated with reloading, including the risk of explosion, fire, and injury.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper handling of reloading materials can lead to explosions.
 - Inadequate ventilation can lead to inhalation of harmful fumes.
 - Improper use of the press can cause injury.
- **Avoiding Hazards:**
 - Always read and follow the instructions provided with your reloading kit and components.
 - Use only recommended powders and primers for the .50 BMG cartridge.
 - Never exceed recommended load limits.
 - Avoid using damaged or wornout tools.
 - Do not consume food or drink in the reloading area.

Instructions for Installation and Usage

- **Installation:**
 1. Place the Classic Cast Press on a stable, level surface.
 2. Secure the press to the surface using appropriate mounting hardware.
 3. Ensure that the press is assembled correctly according to the manufacturer's instructions.
- **Usage:**
 1. Gather all necessary components: Classic Cast Press, .50 BMG 2die set, shell holder, ram prime, and case lube.
 2. Set up the dies in the press according to the instructions provided.
 3. Use the shell holder to properly position the cartridge case in the press.

4. Apply case lube to the cartridge cases before resizing to prevent sticking.
5. Follow the specific instructions for priming and charging the cases with powder.
6. Always doublecheck the load data to ensure accuracy and safety.
7. After reloading, inspect each cartridge for any defects before use.

Disposal Instructions

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Do not throw away hazardous materials in regular trash. Contact local waste management for safe disposal methods.
- Ensure that all empty containers are properly recycled or disposed of.

Contact Information for Further Support

For any safety inquiries or support related to the CLASSIC CAST .50 BMG PRESS KIT, please refer to the contact information provided in the product packaging or manual.

By following these safety instructions, you can ensure a safe and effective reloading experience with your CLASSIC CAST .50 BMG PRESS KIT. Remember to always prioritize safety and adhere to the guidelines provided.
