# **Safety Instruction Guide for PRO 1000 SHELL PLATES LEE PRECISION LEE PRO 1000 SHELL PLATE #7**

## **Introduction**

Thank you for choosing the PRO 1000 SHELL PLATES by Lee Precision. This product is designed for use with the Lee Pro 1000 Progressive Presses and is essential for converting to different calibers. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## **General Safety Guidelines**

- Ensure that you are familiar with the operation of the Lee Pro 1000 Progressive Press before using the shell plates.
- Always wear appropriate safety gear, such as safety glasses, when operating reloading equipment.
- Keep the work area clean and organized to prevent accidents.
- Store the shell plates in a secure location away from children and pets.
- Regularly inspect the shell plates for any signs of wear or damage before each use.

## **Specific Safety Precautions for Use**

- Only use the PRO 1000 SHELL PLATES with compatible calibers as specified by the manufacturer.
- Be cautious when handling primers and ammunition components; they can be hazardous if mishandled.
- Do not exceed the recommended load specifications for your reloading equipment.
- If you are converting to a different caliber with a different primer size, ensure you have the correct Pro 1000 Primer Attachment.
- In case of any malfunction or unusual performance, discontinue use immediately and consult the manufacturer.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the Lee Pro 1000 Progressive Press is turned off and unplugged.
- Remove any existing shell plates from the press.
- Align the PRO 1000 SHELL PLATE with the mounting area of the press.
- Secure the shell plate in place according to the manufacturer's instructions.

### **2. Usage:**

- Load the appropriate cartridges into the shell plate, ensuring they are seated correctly.
- Follow the reloading process as described in the Lee Pro 1000 manual.
- Regularly check the shell plate for proper seating and alignment during use.
- After completing the reloading process, remove the shell plate and clean it as necessary.

## **Disposal Instructions**

- Dispose of any damaged or worn shell plates in accordance with local regulations.
- Do not throw shell plates in regular trash; check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the PRO 1000 SHELL PLATES or safety issues, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective reloading experience with your PRO 1000 SHELL PLATES. Always prioritize safety and compliance with the EU General Product Safety Regulation (GPSR) while using this product.
