Safety Instruction Guide for RELOADING STAND DIE STORAGE RACK

Introduction

Thank you for choosing the RELOADING STAND DIE STORAGE RACK by LEE PRECISION. This product is designed to securely hold your reloading dies, making your ammunition loading process more efficient and organized. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the die storage rack is used only for its intended purpose.
- Always inspect the product for any damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not overload the die storage rack beyond its intended capacity.
- Ensure that all fasteners are securely tightened before use.
- Avoid placing the rack in areas where it may be exposed to moisture or extreme temperatures.
- Use caution when handling reloading dies, as they may have sharp edges.
- Always follow the manufacturer's instructions for die installation and removal.

Instructions for Installation and Usage

1. Installation

- Choose a suitable location for the die storage rack, ensuring it is stable and secure.
- If wall mounting, use appropriate anchors and screws to ensure the rack can support the weight of the dies.
- If bench mounting, ensure the surface is flat and stable. Secure the rack using the provided fasteners.

2. Usage

- Place your reloading dies into the designated slots on the rack.
- Ensure that each die is seated properly and securely.
- When changing dies, handle them with care to avoid injury.
- Store the rack in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the RELOADING STAND DIE STORAGE RACK in accordance with local regulations.
- If the product is no longer usable, consider recycling the materials where possible.
- Do not dispose of the product in general waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding the safety and use of the RELOADING STAND DIE STORAGE RACK, please refer to the

manufacturer's contact information provided with your product.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the RELOADING
STAND DIE STORAGE RACK!
