

# LEE COLLET 2-DIE NECK SIZER SETS - LEE PRECISION 204 RUGER COLLET 2-DIE NECK SIZER SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies. Maximum accuracy is usually achieved by seating the bullet out far enough to touch or almost touch the rifling. This provides the shot start pressure normally supplied by the crimp. That's why a dead length bullet seater is included to complete the most accurate reloading system ever made. These dies size only the neck to preserve the perfect fit of fire forming. Only reload cases that have been fired in your gun. Not recommended for autoloaders, slide or lever action guns.

## Attributes

- Name: [LEE PRECISION 204 RUGER COLLET 2-DIE NECK SIZER SET](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100053431

# Safety Instruction Guide for LEE COLLET 2DIE NECK SIZER SET

## Introduction

Thank you for choosing the LEE COLLET 2DIE NECK SIZER SET. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective use of this product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to reload ammunition for firearms.
- Keep the product out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye protection and gloves, when handling reloading equipment.
- Be aware of your surroundings and ensure that you are working in a safe environment free from distractions.
- Regularly check for wear and tear on the dies and other components to prevent malfunctions.

## Specific Safety Precautions for Use

- Only use the LEE COLLET 2DIE NECK SIZER SET with cases that have been fired in your specific firearm.
- Do not use these dies with autoloaders, slide, or lever action guns.
- Ensure that the work area is wellventilated to avoid inhalation of any dust or particles generated during reloading.
- Do not attempt to modify the dies or any other components of the reloading system.
- Follow the manufacturer's instructions for setup and operation to avoid accidents and ensure optimal performance.

## Instructions for Installation and Usage

### 1. Setup:

- Read the instruction manual thoroughly before beginning the installation.
- Ensure that you have all components of the die set before starting the setup.
- Install the dies in your reloading press according to the manufacturer's guidelines.

### 2. Using the Neck Sizer Dies:

- Prepare your reloading press and ensure it is securely mounted.
- Insert the case into the die and use the press to size the neck of the case.
- Check the fit of the case neck against the mandrel for accuracy.
- Repeat the process for each case as needed, ensuring that you only use cases that have been fired in your firearm.

### 3. Seating Bullets:

- Use a dead length bullet seater for optimal accuracy.
- Adjust the seating depth to ensure the bullet touches or nearly touches the rifling, achieving maximum accuracy.
- Ensure that the bullet is seated straight to prevent any issues when firing.

### 4. PostReloading Checks:

- Inspect each reloaded round for any defects or abnormalities.
- Store your reloaded ammunition in a safe and secure location.

## **Disposal Instructions**

- Dispose of any unused or defective components in accordance with local regulations.
- Do not throw away reloaded ammunition that is not safe to use; instead, consult local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the LEE COLLET 2DIE NECK SIZER SET, please refer to the manufacturer's contact details provided in the product packaging or on their official website.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective reloading experience with the LEE COLLET 2DIE NECK SIZER SET. Always prioritize safety and adhere to best practices when reloading ammunition. Thank you for choosing LEE Precision products.
