# **Safety Instruction Guide for PISTOL CARBIDE 3 DIE SETS LEE PRECISION 30 M1 CARBINE CARBIDE 3DIE SET**

## **Introduction**

Thank you for choosing the PISTOL CARBIDE 3 DIE SET from LEE PRECISION. This guide provides essential safety instructions and usage information to ensure safe handling and operation of the product. Please read this guide thoroughly before using the die set.

## **General Safety Guidelines**

- Always follow the manufacturer's instructions and guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Use the die set only for its intended purpose.
- Regularly inspect the die set for signs of wear or damage before use.
- If you notice any defects, do not use the product and contact the manufacturer for assistance.
- Store the die set in a dry and secure location to prevent accidental damage or misuse.

## **Specific Safety Precautions for Use**

- Ensure that you are familiar with reloading practices and safety protocols before using the die set.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Do not exceed the recommended load data provided in the instructions.
- Always verify that the firearm is unloaded and pointed in a safe direction when using the die set.
- Avoid distractions while reloading to maintain focus and ensure safety.
- Do not use the die set if you are under the influence of drugs or alcohol.

## **Instructions for Installation and Usage**

### **1. Setup Process**

- Read the instructions and load data provided with the die set carefully.
- Gather all necessary components, including the Carbide Full Length Sizing Die, Bullet Seating Die, Powder Thru Expanding Die, Shell Holder, and Powder Dipper.

### **2. Installing the Dies**

- Install the Carbide Full Length Sizing Die into your reloading press according to the manufacturer's instructions.
- Adjust the die to achieve the desired sizing results.
- Repeat the process for the Bullet Seating Die and Powder Thru Expanding Die.

### **3. Using the Dies**

- Follow the load data provided to measure and dispense the appropriate amount of powder using the Powder Dipper.
- Insert the shell holder into the press and ensure it is securely in place.
- Begin the reloading process by following the stepbystep instructions for each die.

### **4. PostUse Procedures**

- After use, clean the dies according to the manufacturer's recommendations to maintain their performance.
- Store the die set in its original packaging or a secure container to prevent damage.

## Disposal Instructions

- Dispose of any unused materials or components in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the PISTOL CARBIDE 3 DIE SET, please refer to the manufacturer's contact information provided in the product packaging or manual. It is important to have access to support for any safety inquiries or product issues.

By following these safety instructions, you can ensure a safe and effective reloading experience with your PISTOL CARBIDE 3 DIE SET from LEE PRECISION. Thank you for prioritizing safety and compliance with EU General Product Safety Regulations.
