Safety Instruction Guide for PISTOL CARBIDE 3 DIE SETS LEE PRECISION 32 H&R MAGNUM CARBIDE 3DIE SET

Introduction

Thank you for choosing the PISTOL CARBIDE 3 DIE SET by LEE PRECISION. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the die set. It is important to follow all safety guidelines to prevent accidents and ensure the longevity of the product.

General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure you are in a wellventilated area when using the die set.
- Keep the die set and all components out of reach of children and vulnerable individuals.
- Wear appropriate safety gear, such as safety glasses and gloves, when using the die set.
- Store the die set in a cool, dry place when not in use.
- Regularly inspect the die set for any signs of damage or wear before each use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Carbide Dies:** These dies require no sizing lube. Ensure you do not use sizing lube as it can lead to improper functioning of the dies.
- **Bullet Seating:** Ensure that bullets are seated correctly to avoid misfires or accidental discharges.
- **Powder Handling:** Follow all safety guidelines for handling gunpowder, including keeping it away from heat and open flames.
- **Shell Holder:** Ensure that the shell holder is securely attached before using the dies to prevent accidents.
- **Instructions/Load Data:** Always refer to the provided instructions and load data for proper reloading procedures.
- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors do not have access to the die set.

Instructions for Installation and Usage

1. Unpacking the Die Set:

- Carefully remove the die set from its packaging.
- Ensure all components are present: Carbide Full Length Sizing Die, Bullet Seating Die, Powder Thru Expanding Die, Shell Holder, Powder Dipper, and Instructions/Load Data.

2. Setting Up the Dies:

- Mount the dies securely in your reloading press according to the manufacturer's instructions.
- Adjust the dies as necessary for your specific reloading needs.

3. Reloading Process:

- Follow the load data provided to select appropriate powder and bullet types.
- Use the Carbide Full Length Sizing Die to resize your brass cases.
- Use the Powder Thru Expanding Die to charge cases with powder.

- Use the Bullet Seating Die to seat bullets to the correct depth.

4. PostReloading:

- Inspect each cartridge after reloading to ensure proper seating and powder levels.
- Store completed cartridges in a safe and secure location.

Disposal Instructions

- Dispose of any unused or expired components in accordance with local regulations.
- Ensure that any hazardous materials, such as gunpowder, are disposed of safely and responsibly.
- Do not throw away the die set in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the PISTOL CARBIDE 3 DIE SET, please refer to the manufacturer's contact information provided with the product. Ensure that you have the product details on hand when seeking support.

By following these safety instructions, you can enjoy a safe and effective reloading experience with the PISTOL CARBIDE 3 DIE SET by LEE PRECISION. Always prioritize safety and stay informed about best practices in reloading.
