

ULTIMATE RIFLE 4-DIE SETS - LEE PRECISION 300 WIN MAG

ULTIMATE 4-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Choose this die set for maximum versatility. The set features a full length-resizing die to return brass to factory new dimensions, perfect for reloading brass fired in other guns. The Collet Neck sizing die is used on your fire formed brass giving you best possible accuracy. No case lube required and cases last almost forever. The Easy Adjust Dead Length Bullet seating die foolproofs the bullet seating adjustment, and assures perfect seating depth every time. The Factory Crimp die provides a secure crimp on bullets with or without a crimp groove. In most cases it helps accuracy by providing a uniform higher start pressure and gives the finished cartridge Factory like accuracy and dependability. The set is complete, with shell holder, powder measure and famous Lee load data featuring all common brands of powder organized in a easy to read logical format. Includes a full length sizer, collet necksizer, Easy Adjust Dead Length Bullet Seating Die & Factory Crimp Die.

ULTIMATE RIFLE 4DIE SETS LEE PRECISION 300 WIN MAG ULTIMATE 4DIE SET Safety Instruction Guide

Introduction

Thank you for choosing the ULTIMATE RIFLE 4DIE SET from LEE PRECISION. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your die set. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that all nonfood products, including this die set, meet safety requirements as stipulated by the EU General Product Safety Regulation (GPSR).
- Be aware of potential risks associated with reloading and handling ammunition components.
- Always handle reloading equipment and components with care to prevent accidents.
- Store the die set and all related components in a secure location, out of reach of children and vulnerable individuals.
- Regularly check for product recalls and safety updates on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the die set.
- Ensure your workspace is clean, welllit, and free from distractions when reloading ammunition.
- Use the die set only for its intended purpose. This die set is designed specifically for 300 Winchester Magnum cartridges.
- Do not exceed the recommended load limits for your ammunition.
- Inspect all brass cases for damage or defects before reloading. Do not use damaged brass.
- Follow the manufacturer's instructions for each die to avoid incorrect usage that could lead to malfunction or accidents.

Instructions for Installation and Usage

1. Full LengthResizing Die

- Install the full lengthresizing die in your reloading press.
- Adjust the die according to the manufacturer's instructions to ensure proper resizing of brass cases.

2. Collet Neck Sizing Die

- Use the collet neck sizing die for fireformed brass to achieve the best accuracy.
- No case lube is required for this die; however, ensure cases are clean before sizing.

3. Easy Adjust Dead Length Bullet Seating Die

- Install the bullet seating die in the press.
- Adjust the die to achieve the desired bullet seating depth. This die features a foolproof adjustment system for consistent results.

4. Factory Crimp Die

- Use the factory crimp die to apply a secure crimp on bullets.
- This die can be used for both crimped and noncrimped bullets, enhancing accuracy and dependability.

5. Assembly and Disassembly

- Always ensure the reloading press is in a safe position before installing or removing dies.
- Follow the manufacturer's instructions for securely attaching and detaching dies from the press.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away ammunition components in regular trash. Instead, consult your local waste management authority for safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ULTIMATE RIFLE 4DIE SET, please refer to the manufacturer's contact information provided in the product packaging or on their official website.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience. Thank you for your attention to safety and for choosing LEE PRECISION products.
