Positions Your Optic At The Proper Height On Your AK-Pattern Rifle

Texas Weapon Systems' Gen 3 Dog Leg Scope Rail attaches directly over the receiver, providing a secure platform for mounting a red dot sight or scope. The ingeniously simple and rugged Gen 3 Dog Leg Scope Rail employs a forward hinged, quick-release cover with rear cam-lock to preserve the AK's field stripping qualities. The Texas Weapon Systems Gen 3 Dog Leg Scope Rail incorporates a takedown pin behind the main hinge, allowing you to remove the rail from the rifle without having to take the scope off. The Texas Weapon Systems' Gen 3 Dog Leg Scope Rail fits most AK pattern rifles, including stamped and milled receivers, as well as fixed, under-folding and side-folding stocks. The adjustable front tab allows custom fitting to the user's individual weapon. Drop-in installation Completely replaces factory dust cover and rear sight leaf Cam-lock release button for easy removal with optic attached Comes with all necessary mounting hardware Separate models for standard AK-47 / AK-74 / AKM and popular clones, including Yugo, Century Arms C39/RAS-47, and M85/M92 Kit Includes: Dog Leg Rail Top Cover Hinge Fork with takedown pin (pre-installed) Hinge Base with screw Nut Plate (under hinge base) Hinge Base Pin & retaining clip Cover Release Button Allen wrench

This product is designed to enhance your shooting experience by providing a secure platform for mounting optics on your rifle. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is installed correctly to avoid any accidents or malfunctions.
- Always handle firearms and accessories with care and respect, following all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for wear and tear or any damage to the rail and its components.
- Do not use the product if it appears damaged or malfunctioning.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.

Specific Safety Precautions for Use

- Always ensure that your rifle is unloaded before installing or removing the Dog Leg Rail.
- Use appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Ensure that the rail is securely attached before using the rifle.
- Do not exceed the weight limit of the rail when mounting optics.
- Regularly inspect the mounting hardware for tightness and integrity.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the factory dust cover and rear sight leaf from the rifle.
- Align the Dog Leg Rail with the receiver of the rifle.
- Insert the takedown pin into the hinge base to secure the rail in place.
- Tighten the screw on the hinge base to ensure a secure fit.
- Use the camlock release button for easy removal if necessary.
- Doublecheck that the rail is securely attached before mounting any optics.

2. Usage Tips:

- Adjust the front tab for a custom fit to your specific rifle.
- When mounting optics, ensure they are securely fastened to the rail.
- Regularly check the alignment of the optics after installation.
- Follow the manufacturer's instructions for any optics you choose to mount on the rail.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in household trash.
- Consider recycling options available in your area.
