

STANDARD AKM, AK-47, AK-74 GEN-3 DOG LEG RAIL - TEXAS WEAPON SYSTEMS AKM, AK-47/74 GEN-3 DOG LEG RAIL

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Texas Weapon Systems' Gen 3 Dog Leg Scope Rail attaches directly over the receiver, providing a secure platform for mounting a red dot sight or scope. The ingeniously simple and rugged Gen 3 Dog Leg Scope Rail employs a forward hinged, quick-release cover with rear cam-lock to preserve the AK's field stripping qualities. The Texas Weapon Systems Gen 3 Dog Leg Scope Rail incorporates a takedown pin behind the main hinge, allowing you to remove the rail from the rifle without having to take the scope off. The Texas Weapon Systems' Gen 3 Dog Leg Scope Rail fits most AK pattern rifles, including stamped and milled receivers, as well as fixed, under-folding and side-folding stocks. The adjustable front tab allows custom fitting to the user's individual weapon. Drop-in installation Completely replaces factory dust cover and rear sight leaf Cam-lock release button for easy removal with optic attached Comes with all necessary mounting hardware

Safety Instruction Guide for STANDARD AKM, AK47, AK74 GEN3 DOG LEG RAIL

Introduction

Thank you for choosing the Texas Weapon Systems Gen 3 Dog Leg Scope Rail for your AKM, AK47, or AK74 rifle. This guide provides essential safety instructions and usage information to ensure your product is used safely and effectively. Please read all sections carefully before installation and use.

General Safety Guidelines

- Ensure that the product is compatible with your specific firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and other unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the Gen 3 Dog Leg Scope Rail with compatible AK pattern rifles.
- Ensure that the rail is securely mounted before use to prevent accidents.
- Do not attempt to modify or disassemble the rail beyond the provided instructions.
- Always check that the red dot sight or scope is properly secured before use.
- Avoid using the rail in extreme weather conditions that may affect its performance.
- If you experience any difficulties during installation or use, cease operation immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and mounting hardware included with the product.
- Ensure your firearm is unloaded and in a safe condition before beginning installation.

2. Installation Steps

- Remove the factory dust cover and rear sight leaf from your rifle.
- Align the Gen 3 Dog Leg Scope Rail over the receiver of your rifle.
- Insert the takedown pin behind the main hinge to secure the rail in place.
- Ensure the front tab is adjusted for a custom fit to your specific weapon.
- Engage the camlock release button to secure the rail firmly.

3. Mounting Optics

- Attach your red dot sight or scope to the rail according to the manufacturer's instructions.
- Doublecheck that all mounting screws are tightened securely.

4. PostInstallation Check

- Conduct a visual inspection to ensure the rail and optics are properly installed.
- Test the quickrelease cover to confirm it operates smoothly.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal recycling.
- Do not dispose of the product in household waste.
- If the product is damaged beyond repair, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the contact details provided by the manufacturer or your point of purchase. Always seek assistance from qualified professionals if you have any doubts or concerns.

By following these safety instructions, you can ensure the safe and effective use of your Texas Weapon Systems Gen 3 Dog Leg Scope Rail. Thank you for your attention to these important guidelines.
