SIG SAUER 250/320 COMPACT MEDIUM GRIP GRANULATED BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Improve Your SIG Modular Grip

The SIG Sauer P230 and P250 may have interchangeable grip frames that add to the versatility and modularity of the company's popular polymer-pistol series, but the Talon Compact Grip Tape enhances the grip in a way that swappable frames can't do. The Talon Compact Grip Tape provides enhanced texturing for those looking to ensure a solid grip on their handgun, and this tape specifically fits the compact modular frames for the P320 and the P250. The tape design ensures that surfaces on the side panels, thumb rests, under the trigger guard and backstrap are all enhanced. Available in rubber and granulate textures Color: Black Features ambidextrous safety cut The Talon Compact Grip Tape also features a cutout that preserves the SIG Sauer emblem on the grip frames.

Safety Instruction Guide for SIG SAUER P250, P320 Compact Grip Tape

Introduction

Thank you for choosing the SIG SAUER P250, P320 Compact Grip Tape by Talon Grips Inc. This guide provides essential safety instructions and information to ensure the safe and effective use of your grip tape. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the grip tape out of reach of children and vulnerable individuals.
- Regularly inspect the grip tape for signs of wear or damage.
- Avoid using the grip tape if it appears damaged or compromised in any way.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The grip tape is designed to enhance grip; improper installation may lead to slipping during use.
- Ensure that your hands are clean and dry before handling the grip tape to prevent contamination.

- **Avoiding Hazards:**

- Do not apply the grip tape to a firearm that is loaded or has the potential to discharge.
- Ensure that the firearm is pointed in a safe direction when handling or applying the grip tape.
- Use caution when using tools to install the grip tape to avoid injury.

- **Age Specific Warnings:**

- This product is not intended for use by individuals under 18 years of age without adult supervision.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and safe to handle.
- Clean the grip surfaces of the firearm thoroughly to remove any oils, dirt, or debris.

2. Application:

- Carefully peel the backing from the grip tape.
- Align the grip tape with the desired area on the firearm, ensuring it fits properly over the side panels, thumb rests, under the trigger guard, and backstrap.
- Press down firmly to secure the grip tape in place, smoothing out any bubbles or wrinkles.

3. PostInstallation:

- Allow the grip tape to set for a minimum of 24 hours before using the firearm to ensure proper adhesion.
- Regularly check the grip tape for wear and replace it as necessary.

Disposal Instructions

- Dispose of any excess grip tape and packaging materials in accordance with local waste disposal regulations.
- Do not burn or incinerate the grip tape, as it may release harmful substances.

Contact Information for Further Support

For further assistance or inquiries regarding safety concerns, please refer to the manufacturer's website or customer service resources. Ensure you have the product details ready for a more efficient response.

Thank you for following these safety instructions. Your safety and the safe use of your firearm are of utmost importance.
