

# GRIP TAPE FOR GLOCK® 43 - TALON GRIPS INC GRIP GRANULATED BLACK FOR GLOCK 43

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

## Optimize Your G43 Grip

The Glock G43 is a great pistol for concealed carry, thanks to its small size and thin profile. However, these two qualities mean that users aren't able to obtain as solid of a grip on this pistol as they can on full-size guns. The Talon Glock G43 Grip Tape enhances the texture on this pocket pistol. The Talon Glock G43 Grip Tape is a non-permanent addition to your gun that anchors into place, thanks to a solid adhesive. The tape covers both side panels, thumb rests, backstrap and beneath the trigger guard, ensuring that users have all of the principal grip areas enhanced. Comes in rubber and granulate textures  
Color: black Features cutouts for controls The Talon Glock G43 Grip Tape also features a "GLOCK" graphic, as well as Talon's "T."

## Attributes

- Name: [TALON GRIPS INC GRIP GRANULATED BLACK FOR GLOCK 43](#)
- Manufacturer: [TALON GRIPS INC](#)
- Product no.: 100053610

# **Safety Instructions for GRIP TAPE FOR GLOCK® 43 TALON GRIPS INC GRIP GRANULATED BLACK FOR GLOCK 43**

## **Introduction**

Thank you for choosing the Talon Grip Tape for your Glock G43. This product is designed to enhance your grip and improve your shooting experience. Please read this safety instruction guide carefully to ensure safe use and compliance with EU safety regulations.

## **General Safety Guidelines**

- Always ensure that your firearm is unloaded before applying or adjusting the grip tape.
- Inspect the grip tape regularly for wear and tear.
- Do not use the grip tape if it shows signs of damage or peeling.
- Keep the grip tape away from children and individuals who may not understand its use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Ensure your hands are clean and dry before applying the grip tape to achieve the best adhesion.
- Avoid applying the grip tape in environments with high humidity or extreme temperatures.
- Do not alter the grip tape after application, as this may compromise its effectiveness.
- Be cautious when handling your firearm, ensuring that your grip remains secure throughout use.
- If you experience any discomfort or issues with the grip tape, discontinue use immediately.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Clean the surface of your Glock G43 where the grip tape will be applied using a nonabrasive cleaner.
- Ensure the surface is completely dry before proceeding.

### **2. Application**

- Carefully peel the backing off the grip tape.
- Align the grip tape with the side panels, thumb rests, backstrap, and beneath the trigger guard.
- Firmly press the grip tape onto the firearm, ensuring there are no air bubbles.
- Smooth out any wrinkles to ensure a secure fit.

### **3. PostApplication**

- Allow the adhesive to set for at least 24 hours before using the firearm.
- Regularly check the grip tape for any signs of wear or detachment.

## **Disposal Instructions**

- Dispose of any unused or damaged grip tape in accordance with local waste disposal regulations.
- Do not incinerate the grip tape as it may release harmful fumes.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the Talon Grip Tape for Glock G43, please refer to the manufacturer's customer service resources or website.

By following these guidelines, you can ensure a safe and enjoyable experience with your Talon Grip Tape. Thank you for your attention to safety.
