## Enhance Your Slim-Frame Glock~

Glock's SF slim-frame pistol models are designed to provide shooters with a grip that better fits their hands. The Talon Gen 3 Glock Grip Tape enhances the grips on these pistols even further, thanks to the company's innovative, easy-to-use wraparound design. The Talon Gen 3 Glock Grip Tape is a non-permanent modification to any grip frame, thanks to the company's powerful adhesive that secures the grip tape in place and also provides for easy removal, if needed. The tape covers the areas on both side panels of the grip, as well as the thumb rest, two finger grooves, backstrap, and under the trigger guard. Comes in rubber and granulate textures Color: black Features control cutouts The Talon Gen 3 Glock Grip Tape fits the following Glock pistol models: G29SF, G30SF, G30S, G36.

# Safety Instruction Guide for GRIP TAPE FOR GEN 3 GLOCK® 29SF, 30SF, 30S, 36

## Introduction

Thank you for choosing the Talon Grip Tape for your Gen 3 Glock® 29SF, 30SF, 30S, and 36. This guide provides essential safety instructions to ensure the proper use and maintenance of your grip tape, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the grip tape is compatible with your specific Glock model before installation.
- Inspect the grip tape for any damage or defects before use.
- Keep the grip tape out of reach of children to avoid accidental use or ingestion.
- Do not use the grip tape in wet or slippery conditions to maintain grip effectiveness.
- Be aware that the grip tape may become slippery if it is wet or contaminated with oils or other substances.

## Specific Safety Precautions for Use

- Ensure your hands are clean and dry before handling the grip tape to ensure proper adhesion.
- Avoid using the grip tape on firearms that are not specified in the product description.
- Do not apply excessive force when gripping the firearm to prevent wear on the grip tape.
- If you experience any discomfort or allergic reaction while using the grip tape, discontinue use immediately and consult a medical professional.
- Always follow the manufacturer's guidelines for the care and maintenance of the grip tape.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the grip surface of your Glock with a suitable cleaner to remove any oils, dirt, or residues.
- Ensure the surface is completely dry before applying the grip tape.

### 2. Application:

- Carefully peel the backing off the grip tape.
- Align the grip tape with the grip surface of your Glock, ensuring it covers all intended areas.
- Press firmly on the grip tape to secure it in place, ensuring there are no air bubbles.
- Allow the adhesive to cure for at least 24 hours before using the firearm to ensure optimal adhesion.

### 3. Usage:

- Use the firearm in a safe and responsible manner, adhering to all local laws and regulations regarding firearm usage.
- Regularly inspect the grip tape for wear and tear, replacing it as necessary to maintain optimal grip performance.

## Disposal Instructions

- Dispose of any unused or damaged grip tape in accordance with local regulations for waste disposal.
- Do not burn the grip tape, as it may release harmful fumes.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the grip tape, please refer to the manufacturer's contact information provided with your product packaging or visit their official website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy the enhanced grip and control provided by your Talon Grip Tape!
