

# GRIP TAPE FOR GLOCK® 42 - TALON GRIPS INC GRIP RUBBER BLACK FOR GLOCK® 42

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

## Secure Your Glock 42 Grip

The Glock 42 is a great pocket pistol for personal defense, chambered in the .380 ACP cartridge. However, small pistols like the 42 can be harder to handle, and the Talon Glock 42 Grip Tape ensures that owners of these personal-defense guns can have the solid grip they need. The Talon Glock 42 Grip Tape is designed to adhere securely to any Glock pistol frame, but the tape's adhesive is not permanent and can be removed easily without damaging the gun's frame. Each grip tape option is a full wraparound design and covers the side panels, thumb rest, backstrap and beneath the trigger guard. Available in rubber and granulate finishes Color: black Features all control cutouts The Talon Glock 42 Grip Tape also features cutouts that preserve the "GLOCK" graphic located on the gun's grip frame.

# Safety Instruction Guide for GRIP TAPE FOR GLOCK® 42

## Introduction

Thank you for choosing the GRIP TAPE FOR GLOCK® 42 by TALON GRIPS INC. This product is designed to enhance your grip on the Glock 42 pistol, ensuring better handling and control during use. It is important to follow safety guidelines and instructions to ensure the safe and effective use of this product.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before applying or adjusting the grip tape.
- Do not use the grip tape if it appears damaged or defective.
- Keep the grip tape out of reach of children and vulnerable individuals.
- Regularly inspect the grip tape for wear and tear, and replace it as necessary.
- In case of any discomfort or adverse reaction while using the grip tape, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

- Ensure that your hands are clean and dry before applying the grip tape to prevent improper adhesion.
- Avoid using the grip tape in extreme weather conditions, as high temperatures or moisture can affect its adhesive properties.
- Do not apply the grip tape over any existing grips or accessories that may interfere with its adhesion or functionality.
- Be cautious when handling your firearm after applying the grip tape, as it may feel different than before.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your Glock 42 is completely unloaded and safe to handle.
- Clean the grip area of the firearm with a suitable cleaner to remove any oils or residues.

### 2. Application:

- Carefully peel the backing off the grip tape.
- Align the grip tape with the grip frame of the Glock 42, ensuring that all cutouts align properly with the controls.
- Press the grip tape firmly onto the grip frame, starting from one end and working your way to the other to avoid air bubbles.
- Smooth out any wrinkles or air pockets to ensure full adhesion.

### 3. Finalizing:

- Allow the grip tape to set for a few hours before using the firearm to ensure maximum adhesion.
- Once applied, check that all control cutouts are accessible and that the grip tape does not interfere with the operation of the firearm.

### 4. Removal:

- If you need to remove the grip tape, gently peel it off from one corner. The adhesive is designed to be removable without damaging the firearm's frame.

- Clean any adhesive residue with a suitable cleaner if necessary.

## **Disposal Instructions**

- Dispose of any unused or removed grip tape in accordance with local waste management regulations.
- Do not dispose of the grip tape in fire, as it may release harmful fumes.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the GRIP TAPE FOR GLOCK® 42, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety instructions. Enjoy your enhanced grip and improved handling with the GRIP TAPE FOR GLOCK® 42.
