

# GRIP TAPE FOR GLOCK® 42 - TALON GRIPS INC GRIP GRANULATED BLACK FOR GLOCK® 42

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

## Secure Your Glock 42 Grip

The Glock 42 is a great pocket pistol for personal defense, chambered in the .380 ACP cartridge. However, small pistols like the 42 can be harder to handle, and the Talon Glock 42 Grip Tape ensures that owners of these personal-defense guns can have the solid grip they need. The Talon Glock 42 Grip Tape is designed to adhere securely to any Glock pistol frame, but the tape's adhesive is not permanent and can be removed easily without damaging the gun's frame. Each grip tape option is a full wraparound design and covers the side panels, thumb rest, backstrap and beneath the trigger guard. Available in rubber and granulate finishes Color: black Features all control cutouts The Talon Glock 42 Grip Tape also features cutouts that preserve the "GLOCK" graphic located on the gun's grip frame.

# Safety Instruction Guide for GRIP TAPE FOR GLOCK® 42

## Introduction

Thank you for choosing the Talon Grip Tape for your Glock® 42. This product is designed to enhance your grip and improve handling of your firearm. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use of the grip tape.

## General Safety Guidelines

- Ensure that the firearm is unloaded before applying or handling the grip tape.
- Store the grip tape in a cool, dry place away from direct sunlight and extreme temperatures.
- Regularly inspect the grip tape for wear and tear. Replace it if it shows significant damage.
- Keep the grip tape out of reach of children and unauthorized users.
- If you experience any allergic reactions to the material, discontinue use immediately and consult a medical professional.

## Specific Safety Precautions for Use

- Always handle your Glock® 42 in a safe manner, following all standard firearm safety protocols.
- Ensure that the grip tape is applied correctly to avoid any interference with the operation of the firearm.
- Avoid using the firearm in wet or slippery conditions where grip performance may be compromised.
- Be aware that the grip tape may become slippery if it is wet or contaminated with oils or other substances.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the surface of the Glock® 42 grip frame thoroughly to remove any dirt, oils, or residues.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Application:

- Peel the backing off the grip tape carefully.
- Align the grip tape with the grip frame, ensuring that it covers all intended areas, including side panels, thumb rest, backstrap, and beneath the trigger guard.
- Press down firmly on the grip tape to ensure proper adhesion.
- Smooth out any air bubbles or wrinkles to achieve a flat application.

### 3. Final Checks:

- Once applied, check that the tape does not interfere with any controls or the operation of the firearm.
- Allow the adhesive to set according to the manufacturer's instructions before using the firearm.

## Disposal Instructions

- Dispose of any unused or damaged grip tape in accordance with local waste disposal regulations.
- Do not incinerate the grip tape as it may release harmful substances when burned.

## **Contact Information for Further Support**

For any inquiries regarding the safety or performance of the Talon Grip Tape for Glock® 42, please contact the manufacturer's customer support. Ensure you have the product details ready for a more efficient response.

## **Conclusion**

By following these safety instructions, you can ensure safe and effective use of the Talon Grip Tape for your Glock® 42. Always prioritize safety and be informed about the proper handling of your firearm.
