# Safety Instruction Guide for GRIP TAPE FOR GEN 4 GLOCK®

## Introduction

Thank you for choosing the Talon Grip Tape for your Gen 4 Glock® handgun. This product is designed to enhance the grip and handling of your firearm, ensuring a more secure and comfortable shooting experience. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the grip tape is installed correctly to avoid any interference with the firearm's operation.
- Regularly inspect the grip tape for wear and tear; replace if necessary.
- Store your firearm in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may cause the grip tape to peel or interfere with firearm operation.
- The grip tape may retain heat in hot weather; handle with care.
- Ensure no debris is trapped beneath the grip tape, as this may affect grip quality.

### • Avoiding Hazards:

- Carefully follow installation instructions to ensure proper adhesion.
- Do not use the firearm if the grip tape shows signs of damage or excessive wear.
- Be cautious when handling the firearm after prolonged exposure to heat or sunlight.

### • Age Specific Warnings:

- This product is intended for adult users only. Keep out of reach of children.

## Instructions for Installation and Usage

### • Installation Steps:

1. Clean the surface of the firearm where the grip tape will be applied. Use a nonabrasive cleaner to remove any oil or dirt.
2. Carefully peel the backing off the grip tape.
3. Align the grip tape with the frame of the firearm, ensuring it covers all necessary areas.
4. Press down firmly on the grip tape, ensuring there are no air bubbles or wrinkles.
5. Allow the grip tape to set for at least one hour before use to ensure proper adhesion.

### • Usage Guidelines:

- Once installed, regularly check the grip tape for any signs of peeling or damage.
- If you decide to remove the grip tape, gently peel it off starting from one corner. It should come off without leaving residue or damaging the frame.

- Always ensure that your hands are clean and dry when handling the firearm to maintain grip quality.

## **Disposal Instructions**

- Dispose of the grip tape in accordance with local regulations.
- Do not dispose of in recycling bins as it may not be recyclable.
- If the grip tape is damaged or worn, ensure it is disposed of safely to prevent accidental use.

## **Contact Information for Further Support**

For any questions or concerns regarding the Talon Grip Tape, please refer to the manufacturer's website or contact their support team. Always ensure you have the latest information regarding safety recalls or updates.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is paramount when handling firearms. Enjoy your enhanced grip and improved shooting experience with the Talon Grip Tape for your Gen 4 Glock®.
