

SPRINGFIELD XDS 9/40/45 LARGE GRIP TAPE - TALON GRIPS INC

SPRINGFIELD XDS 9/40/45 LARGE GRIP RUBBER BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Enhance Your XDS Pistol Texture

Springfield Armory invested a great deal of design and engineering into producing the best possible handgun grip for as many shooters as possible, but the slim size of the XDS means that some shooters would benefit from adding Talon Springfield XDS Large Grip Tape. The Talon Springfield XDS Large Grip Tape mounts solidly to any of Springfield's pistol frames, thanks to the company's rock-solid adhesive. The tape does not permanently alter the frame, though, allowing users to remove it if they choose. The tape covers the side panels, thumb rest, beneath the trigger guard and backstrap. The Talon Springfield XDS Large Grip Tape works on 3.3-inch and 4-inch barreled versions of the company's XDS pistol series.

Safety Instruction Guide for SPRINGFIELD XDS 9/40/45 Large Grip Tape

Introduction

Thank you for choosing the SPRINGFIELD XDS 9/40/45 Large Grip Tape by Talon Grips Inc. This product is designed to enhance your shooting experience by providing better grip and control. It is important to follow safety guidelines to ensure safe use and maintenance of the product.

General Safety Guidelines

- Ensure that the grip tape is suitable for your specific model of Springfield XDS.
- Always inspect the grip tape for any signs of wear or damage before each use.
- Keep the grip tape clean and free from debris to maintain optimal performance.
- Store the firearm in a secure location, away from children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The grip tape is designed for adult use only. Keep it out of reach of children.
- Do not use the firearm while the grip tape is wet or dirty, as this may affect grip performance.
- Avoid applying excessive pressure to the grip tape during installation or use, as it may damage the adhesive or the tape itself.
- If you experience any discomfort while using the grip tape, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Clean the surface of the firearm where the grip tape will be applied with a nonabrasive cleaner.
- Ensure that the surface is completely dry before proceeding.

2. Installation

- Carefully peel the backing off the grip tape.
- Align the grip tape with the side panels, thumb rest, beneath the trigger guard, and backstrap of the firearm.
- Press the grip tape firmly onto the surface, ensuring there are no air bubbles.
- Allow the adhesive to set for at least 24 hours before using the firearm.

3. Usage

- Use the firearm as per the manufacturer's instructions, ensuring that the grip tape does not interfere with the operation of the firearm.
- Regularly check the grip tape for any signs of wear or damage, and replace it if necessary.

Disposal Instructions

- Dispose of any used grip tape in accordance with local regulations.
- Ensure that the grip tape is disposed of in a manner that prevents it from being accessible to children or pets.

Contact Information for Further Support

For any questions or concerns regarding the SPRINGFIELD XDS 9/40/45 Large Grip Tape, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your SPRINGFIELD XDS 9/40/45 Large Grip Tape. Thank you for your attention to safety.
