

# RUGER® LC9S® GRIP TAPE - TALON GRIPS INC RUGER LC9S GRIP RUBBER BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

## Provides Enhanced Texturing

The Ruger LC9S is a great 9mm personal-defense pistol for those looking for a concealable gun in a caliber larger than .380 ACP, but the slim, single-stack design of the LC9S can be enhanced with the addition of Talon Ruger LC9S Grip Tape. The Talon Ruger LC9S Grip Tape offers users a textured, wraparound design that enhances the tactile feel of the grip, allowing it to remain anchored in the hand during rapid-fire strings. The tape covers both grip panels, thumb rests, beneath the trigger guard and the backstrap of the gun. Available in rubber and granulate options Color: black Features cutout for safety The Talon Ruger LC9S Grip Tape features a solid adhesive that remains secure to the gun while allowing users to remove it easily.

# Ruger LC9S Grip Tape Safety Instructions

## Introduction

Thank you for choosing the Ruger LC9S Grip Tape by Talon Grips Inc. This product is designed to enhance the grip of your Ruger LC9S pistol, providing a more secure and comfortable hold during use. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use of the grip tape.

## General Safety Guidelines

- **Product Safety:** Ensure that the Ruger LC9S Grip Tape is used according to the instructions provided to prevent any accidents or injuries.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product through the EU Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is intended for adult users. Keep it out of reach of children to prevent misuse.
- **EU Contact Point:** For any safety inquiries, consult your local EU consumer protection agency.
- **Rapid Alerts:** Regularly check for updates on safety alerts related to this product.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before applying the grip tape.
- Do not use the grip tape if it shows signs of damage or wear.
- Avoid exposing the grip tape to extreme temperatures or harsh chemicals that may degrade its adhesive properties.
- Do not modify or alter the grip tape in any way, as this may compromise its effectiveness.
- If you experience any discomfort or adverse reactions while using the grip tape, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the Ruger LC9S pistol is completely unloaded.
- Clean the grip area of the pistol with a mild soap solution and allow it to dry completely.

### 2. Application:

- Remove the backing from the grip tape carefully.
- Align the grip tape with the grip panels, thumb rests, and backstrap of the pistol.
- Press the grip tape firmly onto the surface of the grip, ensuring there are no air bubbles or wrinkles.
- Smooth out the edges to ensure a secure fit.

### 3. Safety Check:

- After installation, perform a safety check of the firearm to ensure it is functioning correctly.
- Ensure that the grip tape does not interfere with the operation of the pistol, including the trigger and safety mechanisms.

### 4. Usage:

- Use the Ruger LC9S with the grip tape installed as per normal handling procedures.

- Regularly inspect the grip tape for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of any unused or damaged grip tape according to local regulations.
- Do not dispose of the grip tape in regular household waste if it is considered hazardous in your area.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the Ruger LC9S Grip Tape, please consult your local retailer or contact your regional consumer protection agency.

Thank you for prioritizing safety while using the Ruger LC9S Grip Tape. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
