Customize Your Walther Pistol

Walther Arms is known for producing pistols with excellent texturing and ergonomics, and the company's PPQ series is no exception. Some gun owners, however, prefer a different kind of grip texture, and the Talon Walther PPQ Grip Tape allows them to make those modifications easily. The Talon Walther PPQ Grip Tape provides a full wraparound grip that covers the side panels, thumb rests, front-strap finger wraps and backstrap of the gun in order to enhance the feel and secure a user's grip. Comes in rubber and granulate textures Color: black Features cutouts for all controls The Talon Walther PPQ Grip Tape fits both 9mm and .40 S&W models and requires no trimming to fit different size backstraps.

WALTHER PPQ 9/40 Grip Tape Safety Instruction Guide

Introduction

Thank you for choosing the WALTHER PPQ 9/40 Grip Tape from TALON GRIPS INC. This product is designed to enhance your grip and improve handling of your Walther PPQ pistol. It is important to follow the safety guidelines and instructions provided in this document to ensure safe and effective use.

General Safety Guidelines

- Always ensure that your firearm is unloaded before applying or handling the grip tape.
- Keep the grip tape out of reach of children and vulnerable individuals.
- Regularly inspect the grip tape for wear, damage, or detachment.
- If the grip tape becomes damaged or starts to peel, replace it immediately to maintain optimal grip and safety.
- Do not alter or modify the grip tape in any way that could affect its performance or safety.

Specific Safety Precautions for Use

- Ensure that your hands are clean and dry before applying the grip tape to prevent slipping during installation.
- Avoid using the grip tape in wet or slippery conditions, as this may reduce grip effectiveness.
- Be aware of your surroundings when handling your firearm to ensure safe operation.
- Always follow the manufacturer's instructions for the safe use of your firearm, in conjunction with the grip tape.

Instructions for Installation and Usage

1. Preparation:

- Clean the surface of your Walther PPQ pistol where the grip tape will be applied using a suitable solvent (e.g., rubbing alcohol) to remove any dirt, oil, or residue.
- Allow the surface to dry completely before proceeding.

2. Application:

- Carefully peel the backing from the grip tape.
- Align the grip tape with the side panels, thumb rests, frontstrap finger wraps, and backstrap of the pistol.
- Press the grip tape firmly onto the surface, ensuring there are no air bubbles or wrinkles.
- Smooth out any imperfections using your fingers or a soft cloth.

3. Final Check:

- Inspect the grip tape to ensure it is securely attached and covers all intended areas.
- Allow the grip tape to set for at least 24 hours before using the firearm to ensure maximum adhesion.

4. Usage:

- Use your firearm as per the manufacturer's instructions, ensuring that your grip is secure and comfortable.

- Regularly check the grip tape for signs of wear or damage, and replace as necessary.

Disposal Instructions

- Dispose of any unused or damaged grip tape according to local regulations for waste disposal.
- Do not incinerate the grip tape, as it may release harmful substances.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to the relevant support channels provided by TALON GRIPS INC. Ensure you have your product details ready for a more efficient response.

By following these safety guidelines and instructions, you can ensure a safer and more enjoyable experience with your WALTHER PPQ 9/40 Grip Tape. Always remember that safety is paramount when handling firearms. Thank you for prioritizing safety in your use of this product.
