## **Customize Your Walther Pistol**

Walther Arms is known for producing pistols with excellent texturing and ergonomics, and the company's PPQ series is no exception. Some gun owners, however, prefer a different kind of grip texture, and the Talon Walther PPQ Grip Tape allows them to make those modifications easily. The Talon Walther PPQ Grip Tape provides a full wraparound grip that covers the side panels, thumb rests, front-strap finger wraps and backstrap of the gun in order to enhance the feel and secure a user's grip. Comes in rubber and granulate textures Color: black Features cutouts for all controls The Talon Walther PPQ Grip Tape fits both 9mm and .40 S&W models and requires no trimming to fit different size backstraps.

# Safety Instruction Guide for WALTHER PPQ 9/40

## Grip Tape

### Introduction

Thank you for choosing the WALTHER PPQ 9/40 Grip Tape by TALON GRIPS INC. This product is designed to enhance the grip of your Walther PPQ pistol, ensuring a secure and comfortable hold during use. To ensure your safety and the optimal performance of the product, please read and follow the safety instructions outlined in this guide.

### General Safety Guidelines

- Ensure the firearm is unloaded before applying or handling the grip tape.
- Always follow the manufacturer's guidelines for the use and maintenance of your firearm.
- Be aware of your surroundings when handling firearms and ensure that you are in a safe environment.
- Regularly check the grip tape for wear or damage and replace it if necessary.
- Report any unsafe conditions or accidents involving the product to the appropriate authorities.

### Specific Safety Precautions for Use

- Always keep the firearm pointed in a safe direction.
- Do not apply the grip tape to a loaded firearm.
- Ensure that the grip tape does not interfere with the operation of the firearm or any safety features.
- The grip tape is designed for adult use only. Keep it out of reach of children.
- If you experience difficulties with grip or handling, consult a qualified firearms instructor.

### Instructions for Installation and Usage

#### Installation Instructions

##### 1. Preparation:

- Clean the surface of the grip area on your Walther PPQ with a suitable cleaner to remove any oils or debris.
- Allow the surface to dry completely.

##### 2. Application:

- Peel the backing off the grip tape carefully.
- Align the grip tape with the grip area of your pistol, ensuring that it covers the side panels, thumb rests, frontstrap finger wraps, and backstrap.
- Firmly press the grip tape onto the grip surface, smoothing out any bubbles or wrinkles as you go.

##### 3. Final Check:

- Ensure that all controls are accessible and that the grip tape does not obstruct any operational features of the firearm.

#### Usage Instructions

- Hold the firearm with a firm grip, utilizing the enhanced texture provided by the grip tape.
- Regularly check the grip tape for any signs of wear or damage.
- Replace the grip tape if it becomes worn or begins to peel.

## **Disposal Instructions**

- Dispose of any used grip tape in accordance with local regulations.
- Do not incinerate the grip tape as it may release harmful substances.

## **Contact Information for Further Support**

For any inquiries or support regarding the WALTHER PPQ 9/40 Grip Tape, please consult the manufacturer's website or customer service.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your WALTHER PPQ 9/40 Grip Tape. Thank you for prioritizing safety and responsible firearm handling.
