

S&W M&P SHIELD 9/40 GRIP TAPE - TALON GRIPS INC S&W M&P SHIELD 9/40 GRIP RUBBER BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Grab Ahold Of Your Shield Securely

The Smith & Wesson M&P Shield is one of the most popular personal-defense pistols on the market today, thanks to its slim, single-stack design. However, users might find it harder to control, due to its small size and increased recoil. The Talon S&W M&P Shield Grip Tape works to solve these issues. The Talon S&W M&P Shield Grip Tape uses a special adhesive that secures the tape to any frame texture without permanently altering the grip frame in any way. The tape covers both side panels of the grip, as well as the front strap, backstrap and thumb rest areas. The Talon S&W M&P Shield Grip Tape fits both 9mm and .40 S&W Shield models.

Safety Instruction Guide for S&W M&P SHIELD 9/40 Grip Tape

Introduction

Thank you for choosing the Talon S&W M&P Shield Grip Tape. This product is designed to enhance your grip on the Smith & Wesson M&P Shield, improving control and comfort during use. This safety instruction guide provides essential information to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip tape by following all instructions. This product is designed for nonfood use and is compliant with EU safety regulations.
- **Enhanced Recalls:** Be aware that recall notices may be issued for unsafe products. Always check for updates regarding product safety.
- **Online Shopping:** When purchasing online, confirm that the retailer meets all safety requirements.
- **Special Consumer Focus:** Extra care should be taken when the product is used by vulnerable groups, including children.
- **EU Contact Point:** For safety inquiries, ensure you have access to an EU-based contact.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Check Compatibility:** Ensure that the grip tape is compatible with your specific model of the Smith & Wesson M&P Shield (9mm or .40 S&W).
- **Inspect Before Use:** Before installation, inspect the grip tape for any visible damage or defects. Do not use if damaged.
- **Avoid Moisture:** Keep the grip tape dry during installation and use to prevent adhesion issues.
- **Do Not Alter:** Do not modify or alter the grip tape or the firearm in any way that may compromise safety.
- **Storage:** Store the grip tape in a cool, dry place away from direct sunlight when not in use.

Instructions for Installation and Usage

1. Preparation:

- Clean the grip area of your firearm thoroughly to remove any dirt, oil, or residue.
- Ensure the firearm is unloaded and safe to handle.

2. Installation:

- Carefully peel the backing off the grip tape.
- Align the grip tape with the grip frame, ensuring proper positioning on both side panels, the front strap, backstrap, and thumb rest areas.
- Press down firmly to secure the tape to the grip frame, ensuring there are no air bubbles.

3. PostInstallation:

- Allow the adhesive to cure for at least 24 hours before using the firearm to ensure optimal adhesion.
- Regularly check the grip tape for wear and tear, replacing it as necessary.

4. Usage:

- Use the firearm in accordance with all standard safety practices and local laws.
- Always maintain a firm grip on the firearm during use to ensure control.

Disposal Instructions

- Dispose of any unused or damaged grip tape in accordance with local regulations for waste disposal.
- Do not incinerate the grip tape or any packaging materials, as they may release harmful substances.

Contact Information for Further Support

For further assistance or inquiries regarding the Talon S&W M&P Shield Grip Tape, please refer to the product packaging or the manufacturer's website for contact information.

Thank you for your attention to these safety guidelines. Proper use and maintenance of the grip tape will enhance your experience with the S&W M&P Shield while ensuring safety and compliance with EU regulations.
