Safety Instruction Guide for S&W M&P Full Size Medium Backstrap Grip Tape

Introduction

Thank you for choosing the S&W M&P Full Size Medium Backstrap Grip Tape by Talon Grips Inc. This product is designed to enhance the grip and handling of your Smith & Wesson M&P pistol. It is important to read and understand these safety instructions to ensure the safe use and maintenance of the grip tape.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the grip tape.
- Keep the grip tape out of reach of children and vulnerable individuals.
- Regularly inspect the grip tape for wear or damage. Replace it if any signs of deterioration are observed.
- Do not use the grip tape if it appears to be damaged or improperly applied.
- If you experience any discomfort or adverse reactions while using the grip tape, discontinue use immediately.

Specific Safety Precautions for Use

- Ensure that the grip tape is applied correctly to avoid any slipping or movement during use.
- Be cautious when handling the firearm, as the grip tape may alter the feel and handling characteristics of the pistol.
- When cleaning your firearm, avoid using harsh chemicals that may damage the grip tape.
- Always follow the manufacturer's instructions when using the grip tape in conjunction with your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and in a safe condition.
- Clean the grip area of your M&P pistol thoroughly to remove any oils or dirt.

2. Application:

- Peel the backing off the grip tape carefully.
- Align the grip tape with the grip frame of your pistol, ensuring it covers the side panels, thumb rests, front strap, and backstrap properly.
- Press the grip tape firmly onto the surface, ensuring there are no air bubbles or wrinkles.

3. Finalization:

- Once applied, check that the grip tape is securely attached and does not interfere with the operation of the firearm.
- Allow the grip tape to set for a few minutes before handling the firearm.

4. Removal:

- If you wish to remove the grip tape, gently peel it off starting from one corner.
- The grip tape can be removed without causing damage to the grip frame of the firearm.

Disposal Instructions

- Dispose of any used grip tape in accordance with local waste disposal regulations.
- Do not incinerate or dispose of the grip tape in a manner that could cause environmental harm.

Contact Information for Further Support

For any questions regarding safety, installation, or product performance, please refer to the manufacturer's contact information included with the product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your S&W M&P Full Size Medium Backstrap Grip Tape. Thank you for your attention to safety.
