# **RUGER MINI14® MAGAZINE .223 PRO MAG RUGER MINI14® 20RD MAGAZINE .223 STEEL NICKEL PLATED Safety Instruction Guide**

## **Introduction**

Thank you for choosing the RUGER MINI14® MAGAZINE .223 PRO MAG RUGER MINI14® 20RD MAGAZINE. This guide provides essential safety instructions to ensure the safe use and handling of the product. Please read this manual thoroughly before use to understand the safety precautions and proper handling techniques.

## **General Safety Guidelines**

- Always treat every firearm and magazine as if it is loaded.
- Store the magazine in a secure location away from children and unauthorized users.
- Do not modify the magazine or its components in any way.
- Regularly inspect the magazine for signs of wear or damage. Do not use if damaged.
- Ensure that the magazine is compatible with your firearm model before use.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

## **Specific Safety Precautions for Use**

- Use only .223 Remington or 5.56x45mm ammunition with this magazine.
- Avoid exposing the magazine to extreme temperatures or moisture, as this may affect its performance.
- Do not attempt to load more than the specified capacity of 20 rounds.
- Keep fingers and other body parts away from the magazine feed area when loading or unloading.
- Always engage the safety mechanism of your firearm when inserting or removing the magazine.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the magazine.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Press the magazine firmly into the magazine well until it clicks into place.

### **2. Loading the Magazine:**

- Hold the magazine in one hand and use the other hand to load the ammunition.
- Insert the first round into the magazine, ensuring it is seated properly.
- Continue loading rounds until the magazine reaches its maximum capacity of 20 rounds.
- Ensure that the magazine follower moves freely and that the rounds are properly aligned.

### **3. Removing the Magazine:**

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the firearm.
- Gently pull the magazine out of the magazine well.

### **4. Using the Firearm:**

- After loading the magazine, insert it back into the firearm.

- Follow the manufacturer's instructions for operating the firearm safely.
- Always keep the muzzle pointed in a safe direction and be aware of your target and what is beyond it.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations regarding hazardous materials.
- If the magazine is damaged or no longer usable, consider recycling the metal components where possible.
- Do not throw away the magazine in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the RUGER MINI14® MAGAZINE, please refer to the manufacturer's official website or contact their customer service department for assistance.

By following these guidelines, you can ensure a safer experience with your RUGER MINI14® MAGAZINE. Always prioritize safety and responsible handling when using firearms and related accessories.
