

ARCHANGEL M1A CLOSE QUARTERS STOCK - PRO MAG SPRINGFIELD M1A CLOSE QUARTERS STOCK POLYMER BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The Archangel® AACQS Close Quarter Stock for Springfield Armory® M1A™ and M14 rifles* is a feature packed, super lightweight pistol grip combat stock that features a streamlined, six position collapsible buttstock and practical accessory mounting capabilities. The collapsible buttstock provides length of pull adjustment from 11.5" to 14.5" and features an anti-snag rubber recoil pad. The removable pistol grip features a locking storage compartment and is contoured and textured for positive weapon control and retention. For sling accommodation, there are 2 standard UM style sling studs one in the forend and one in the buttstock. Additionally, there are five embedded steel, flush-cup style QD hardpoints. One on each side of the forend, one on each side just above the pistol grip, and one on the toe of the buttstock. (QD sling swivels not included). The wide, flat and ventilated forearm keeps the barrel cool, and features M-Lok® slots at 3, 6, and 9 O'clock positions at the leading end of the forend. The precision inlet has been optimized for a drop-in precise fit with the utmost in accuracy potential. Constructed of legendary high strength, carbon fiber and glass reinforced black polymer. Impervious to weather, most firearms solvents and lubricants, this tough as nails stock will withstand a lifetime of hard use. Only 2.8 lbs. Lifetime warranty. Made in USA. Fits the Springfield Armory® M1A™ and M14 rifles* Super lightweight tactical stock is loaded with features. Pistol grip with locking grip storage compartment. Additional storage compartment in buttstock extension. Streamlined, collapsible six (6) position buttstock with a 11.5"-14.5" length of pull. Features an anti-snag rubber recoil pad. Removable cheek riser provides proper alignment when used with optical type sights. Incorporates five (5) integral steel inserts for QD sling swivels (QD swivels not included). Constructed of legendary high strength, carbon fiber and glass reinforced black polymer. Precision fit inlet provides the utmost in accuracy potential. Grip is interchangeable with any AK-47 type grip. Buttstock is interchangeable with any AR-15® type carbine buttstock that will fit a six (6) position, commercial size buffer tube. Weighs only 2.8 pounds. Lifetime warranty**. Made in USA.

Safety Instruction Guide for ARCHANGEL M1A Close Quarters Stock

Introduction

Thank you for choosing the ARCHANGEL M1A Close Quarters Stock. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide thoroughly to understand how to use this product safely and effectively.

General Safety Guidelines

- **Product Safety:** Always ensure that you use the stock according to the manufacturer's instructions to prevent accidents.
- **Enhanced Recalls:** Stay informed about any recall notices regarding this product. In case of a recall, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** If purchased online, ensure that the seller meets safety regulations equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Always keep it out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware that updates on unsafe products can be found on the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Age Restriction:** This product is designed for adult use only. Do not allow minors to handle or operate this stock.
- **Proper Handling:** Always treat the firearm as if it is loaded. Keep your finger off the trigger until ready to shoot.
- **Inspect Before Use:** Before installation, inspect the stock for any signs of damage or wear. Do not use if damaged.
- **Secure Installation:** Ensure that the stock is securely attached to the firearm before use to prevent accidents.
- **Sling Use:** When using sling attachments, ensure they are properly secured to avoid accidental release.
- **Environmental Conditions:** Avoid using the stock in extreme weather conditions that may compromise its integrity.
- **Cleaning and Maintenance:** Use only recommended cleaning products to maintain the stock. Avoid harsh solvents that may damage the polymer.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Remove the existing stock from the firearm according to the manufacturer's instructions.
- Align the ARCHANGEL M1A Close Quarters Stock with the buffer tube.
- Securely attach the stock using the provided hardware, ensuring it is tightened to prevent movement.
- Check that the stock is firmly in place by gently pulling on it.

2. Usage:

- Adjust the length of pull by using the sixposition collapsible buttstock feature.

- Utilize the antisnag rubber recoil pad for added comfort during shooting.
- Store items in the locking storage compartment of the pistol grip safely.
- Use the cheek riser for proper alignment when aiming with optical sights.
- Attach slings to the QD hardpoints for secure carrying of the firearm.

Disposal Instructions

- When the product has reached the end of its life or is no longer usable, dispose of it in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, check for designated recycling programs for firearms accessories or materials.
- Ensure that the product is rendered unusable before disposal to prevent misuse.

Contact Information for Further Support

For any questions regarding safety, installation, or usage, please refer to the manufacturer's customer support resources.
