Safety Instruction Guide for the Archangel Mosin Nagant OPFOR® Precision Forend Rail

Introduction

Thank you for choosing the Archangel® Mosin Nagant OPFOR® Precision Forend Rail. This guide provides essential safety instructions, installation procedures, and usage tips to ensure a safe and effective experience with your product. Please read this guide thoroughly before using the forend rail.

General Safety Guidelines

- Ensure that all safety instructions are followed to prevent accidents or injuries.
- Always inspect the product before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in this guide.
- In case of any malfunction, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure that the Mosin Nagant rifle is unloaded before installing or removing the forend rail.
- Do not exceed the weight limit of the rail when mounting accessories such as bipods, lasers, or lights.
- Avoid placing any accessories that may obstruct your view or interfere with the operation of the rifle.
- Ensure that the rail is securely mounted before using the rifle.
- Be aware of your surroundings and ensure a safe shooting environment when using the rifle.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the Mosin Nagant rifle is completely unloaded.
- Gather all necessary tools for installation.

2. Installation:

- Locate the ventilation holes on the underside of the forend of the Mosin Nagant Precision Rifle Stock (AA9130).
- Align the Archangel® OPFOR® Picatinny Rail with the ventilation holes.
- Securely mount the rail using the provided hardware, ensuring it is parallel to the barrel in the horizontal plane.

3. Usage:

- Once installed, you can attach accessories such as bipods, lasers, or lights to the rail.
- Ensure that any mounted accessories do not exceed the overall length of 5 inches.
- If using a barrel tensioner device, adjust it as necessary with the rail in place.

4. PostUsage:

- After use, inspect the rail and accessories for any signs of wear or damage.
- Clean the rail as necessary to maintain its condition.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the polymer material if facilities are available in your area.

Contact Information for Further Support

For any questions or concerns regarding the Archangel® Mosin Nagant OPFOR® Precision Forend Rail, please reach out to your retailer or manufacturer for assistance.

By adhering to these guidelines, you can ensure a safe and enjoyable experience with your Archangel® Mosin Nagant OPFOR® Precision Forend Rail. Thank you for your attention to safety!
