# Archangel Gunsmith Bench Block Safety Instructions

## Introduction

Thank you for choosing the Archangel® Gunsmith Bench Block Black. This versatile tool is designed to assist you with various gun repair and maintenance projects. To ensure your safety and the effective use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always use the bench block in a welllit and clean workspace.
- Inspect the bench block for any signs of damage before use. Do not use if damaged.
- Keep the bench block away from children and pets to prevent accidents.
- Follow all manufacturer instructions and guidelines when using the bench block.
- Ensure that you are familiar with the gun parts and assembly/disassembly processes before using the bench block.
- Use appropriate personal protective equipment (PPE) such as safety glasses when working on firearms.

## Specific Safety Precautions for Use

- When using the bench block for bolt disassembly, ensure that the firearm is unloaded and pointed in a safe direction.
- Be cautious when handling small parts to avoid losing them or causing injury.
- Do not apply excessive force when using tools on the bench block to prevent damage to both the block and the firearm.
- Ensure that the bench block is stable and secure on the work surface before beginning any work.
- If you experience any difficulty or uncertainty during use, stop and consult the instruction manual for guidance.

## Instructions for Installation and Usage

### 1. Setup:

- Place the Archangel Gunsmith Bench Block on a flat, stable surface.
- Ensure that the area around the bench block is clear of any obstacles or clutter.

### 2. Using the Bench Block:

- Identify the specific slots you will be using for your project, such as bolt disassembly or pin retention.
- Align the firearm components with the appropriate slots to facilitate safe disassembly or assembly.
- Use the bench block to hold small parts in place during assembly or disassembly, ensuring they do not roll or fall.

### 3. After Use:

- Clean the bench block after each use to maintain its condition. Use a damp cloth to wipe down the surface.
- Store the bench block in a dry place away from direct sunlight and extreme temperatures.

## **Disposal Instructions**

- When the Archangel Gunsmith Bench Block is no longer needed, dispose of it responsibly.
- Check local regulations for guidelines on disposing of polymer materials.
- If the bench block is damaged beyond repair, consider recycling the material if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the Archangel Gunsmith Bench Block, please consult your retailer or refer to the manufacturer's website for additional support and resources.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your Archangel Gunsmith Bench Block!
