

# CZ-457 BRAVO CHASSIS - KINETIC RESEARCH GROUP CZ-457 BRAVO CHASSIS, BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Bravo Chassis Rimfire: The CZ-457 variant of the Bravo Chassis provides you with the essential chassis benefits combined with conventional target/varmint ergonomics all at a modest price. The Bravo is one of the most comfortable stocks available but that's just the beginning. The price will make you and your wallet overjoyed. The precisely machined bedding area will put your action in its happy place nearly like it was custom bedded in there. The full length stiff aluminum backbone will not allow the forend to flex on you but does allow design modularity with loads of accessories and even other KRG chassis. The ergonomic adjustments are just what you need to fit your frame so you can pull off the difficult shots. It's light. It's comfortable. It's modular. It's good looking. And it's practically free. You will love it. Utilizes factory rimfire mags (Not included).

# Safety Instruction Guide for CZ457 BRAVO CHASSIS

## Introduction

Thank you for choosing the CZ457 BRAVO CHASSIS by Kinetic Research Group. This guide provides important safety information and instructions to ensure the safe use of your product. Please read this guide carefully before using the chassis and keep it for future reference.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the chassis for any signs of damage or wear before use.
- Store the chassis in a safe and secure location, away from children and unauthorized users.
- Always use the chassis with compatible rimfire magazines and ammunition.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limit for accessories attached to the chassis.
- Ensure that all adjustments to the chassis are made securely and correctly before use.
- Avoid using the chassis in extreme weather conditions that may affect its performance.
- Always be aware of your surroundings when using the chassis in a shooting environment.
- Never point the firearm at anything you do not intend to shoot.

## Instructions for Installation and Usage

### 1. Installation of the Chassis:

- Remove the existing stock from your CZ457 rifle according to the manufacturer's instructions.
- Align the action of the CZ457 with the bedding area of the Bravo Chassis.
- Secure the action in place using the appropriate screws provided with the chassis.
- Ensure that the action is properly seated and that there is no movement.

### 2. Adjusting the Chassis:

- Adjust the length of pull and cheek riser to fit your personal comfort and shooting style.
- Make sure all adjustments are tightened securely before use.

### 3. Using the Chassis:

- Load the compatible rimfire magazine into the chassis.
- Ensure that the firearm is pointed in a safe direction before loading ammunition.
- Practice safe handling at all times, treating every firearm as if it is loaded.

## Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- If the chassis is damaged beyond repair, consider recycling materials where applicable.
- Do not dispose of the chassis in general waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the EUbased contact point provided with your product documentation. Additionally, keep informed about product recalls and safety updates through the EU's Safety Gate platform.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the CZ457 BRAVO CHASSIS.
