

# CZ-457 BRAVO CHASSIS - KINETIC RESEARCH GROUP CZ-457 BRAVO CHASSIS, FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Bravo Chassis Rimfire: The CZ-457 variant of the Bravo Chassis provides you with the essential chassis benefits combined with conventional target/varmint ergonomics all at a modest price. The Bravo is one of the most comfortable stocks available but that's just the beginning. The price will make you and your wallet overjoyed. The precisely machined bedding area will put your action in its happy place nearly like it was custom bedded in there. The full length stiff aluminum backbone will not allow the forend to flex on you but does allow design modularity with loads of accessories and even other KRG chassis. The ergonomic adjustments are just what you need to fit your frame so you can pull off the difficult shots. It's light. It's comfortable. It's modular. It's good looking. And it's practically free. You will love it. Utilizes factory rimfire mags (Not included).

# CZ457 Bravo Chassis Safety Instruction Guide

## Introduction

Thank you for choosing the CZ457 Bravo Chassis from Kinetic Research Group. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your product. Please read this document carefully before using the chassis to maximize safety and performance.

## General Safety Guidelines

- Always handle the chassis with care to avoid injury.
- Ensure that the chassis is used only with compatible firearms.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm accessories and usage.
- If you encounter any issues or have concerns regarding safety, consult a qualified professional.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the CZ457 Bravo Chassis is compatible with your specific CZ457 model. Using incompatible models may lead to malfunctions or safety hazards.
- **Installation:** Follow the installation instructions closely to avoid improper setup which could affect the performance and safety of the chassis.
- **Weight Limit:** Be aware of the weight limit of the chassis and do not exceed it to maintain stability and performance.
- **Environmental Conditions:** Avoid using the chassis in extreme weather conditions that could affect its integrity or performance.
- **Proper Handling:** Always treat the chassis as if it is loaded. Keep the muzzle pointed in a safe direction and your finger off the trigger until ready to shoot.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Chassis:** Carefully remove the chassis from its packaging. Inspect for any visible damage.
2. **Check Compatibility:** Verify that your CZ457 model is suitable for installation with the Bravo Chassis.
3. **Remove Existing Stock:** Follow the manufacturer's instructions to safely detach the existing stock from your CZ457.
4. **Attach the Bravo Chassis:**
  - Align the action of the CZ457 with the bedding area of the Bravo Chassis.
  - Securely fasten all screws and components as per the installation manual provided by Kinetic Research Group.
5. **Final Inspection:** Doublecheck all connections and ensure that the chassis is properly installed and secure.

### Usage

- **Loading:** Use factory rimfire magazines compatible with the CZ457 (not included). Ensure they are properly seated in the chassis.
- **Adjustments:** Make necessary ergonomic adjustments to fit your frame for optimal comfort and performance.
- **Shooting:** Always practice safe shooting habits. Ensure a clear line of sight and a safe backdrop before firing.

## **Disposal Instructions**

- When disposing of the chassis, follow local regulations for the disposal of firearm accessories.
- If the chassis is damaged beyond repair, consider recycling materials where possible.
- Ensure that all hazardous materials are disposed of in accordance with local environmental laws.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety or product performance, please reach out to the designated support channels provided by Kinetic Research Group. Ensure you have your product details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your CZ457 Bravo Chassis. Thank you for prioritizing safety in your shooting activities.
