

# TIKKA T3X BRAVO CHASSIS - KINETIC RESEARCH GROUP TIKKA T3X BRAVO CHASSIS FOR CTR MAGS, BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Bravo Chassis: The Bravo provides you with the essential chassis benefits combined with conventional target/varmint ergonomics all at a modest price. The Bravo is one of the most comfortable stocks available but that's just the beginning. The price will make you and your wallet overjoyed. The precisely machined bedding area will put your action in its happy place nearly like it was custom bedded in there. The full length stiff aluminum backbone will not allow the forend to flex on you but does allow design modularity with loads of accessories and even other KRG chassis. The ergonomic adjustments are just what you need to fit your frame so you can pull off the difficult shots. Of course it takes AICS mags right out of the box. It's light. It's comfortable. It's modular. It's good looking. And it's practically free. You will love it. Utilizes factory CTR mags (Not included).

# TIKKA T3X BRAVO CHASSIS Consumer Safety Instruction Guide

## Introduction

Thank you for choosing the TIKKA T3X BRAVO CHASSIS from KINETIC RESEARCH GROUP. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your chassis. Please read this document carefully before using the product.

## General Safety Guidelines

- Always handle the chassis with care to avoid accidents or injuries.
- Ensure that the chassis is compatible with your firearm model before installation.
- Store the chassis in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories and usage.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's weight limit for accessories attached to the chassis.
- Ensure that all components are securely fastened before use.
- Always use the chassis in a safe and controlled environment, away from populated areas.
- Be aware of your surroundings and ensure that the area is clear before firing.
- Use only factory CTR magazines as specified; do not attempt to modify or use incompatible magazines.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your Tikka rifle according to the manufacturer's instructions.
- Align the action of the rifle with the bedding area of the Bravo chassis.
- Secure the action in place using the provided screws, ensuring a snug fit.
- Attach the forend and any additional components as per the installation guide.

### 2. Usage:

- Adjust the ergonomic features of the chassis to fit your body size and shooting style.
- Before each use, check that all adjustments are secure and functioning properly.
- Practice safe handling techniques at all times, treating every firearm as if it is loaded.
- Clean the chassis regularly to maintain its functionality and appearance.
- If you encounter any issues, cease use immediately and consult a qualified technician.

## Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- If the chassis is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the chassis in regular household waste.

## Contact Information for Further Support

For any inquiries or concerns regarding the TIKKA T3X BRAVO CHASSIS, please reach out to your local dealer or

the manufacturer's support line. Ensure to have your product details available for assistance.

## **Conclusion**

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your TIKKA T3X BRAVO CHASSIS. Thank you for your attention to these important safety measures.
