# Safety Instruction Guide for BRAVO CHASSIS FLAT BAG RIDERS

## Introduction

Thank you for choosing the BRAVO CHASSIS FLAT BAG RIDER from Kinetic Research Group. This guide provides essential safety instructions and information to ensure the safe use of the product. Please read this guide thoroughly before using the bag rider to ensure your safety and the longevity of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always inspect the bag rider before use for any signs of damage or wear.
- Keep the bag rider out of reach of children and vulnerable individuals who may not understand the risks associated with its use.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.
- Stay updated on any recalls or safety alerts via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to instability during use.
- Failure to secure the bag rider properly may result in accidents.

### • Instructions to Avoid Hazards:

- Always ensure the bag rider is securely attached to the Bravo chassis before use.
- Do not exceed the recommended weight limit for the bag rider.
- Avoid using the bag rider in adverse weather conditions that may affect stability and safety.

### • Age and Audience Specific Warnings:

- This product is intended for use by adults. Keep it away from children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the Bravo chassis is clean and free of debris before installation.
- Align the bag rider with the designated attachment points on the Bravo chassis.
- Securely fasten the bag rider using the provided fastening mechanism.
- Doublecheck that the bag rider is firmly attached before proceeding to use it.

### 2. Usage:

- When using the bag rider, ensure that it is placed on a stable and level surface.
- Use the bag rider only with compatible bags designed for rear bag use.
- Maintain a safe distance from others while using the bag rider, especially when engaging in shooting activities.

## **Disposal Instructions**

- Dispose of the bag rider in accordance with local regulations regarding plastic and polymer waste.
- Do not incinerate the product as it may release harmful substances.
- If the bag rider is damaged beyond repair, ensure it is disposed of safely to prevent accidental injury.

## **Contact Information for Further Support**

For any questions or concerns regarding the BRAVO CHASSIS FLAT BAG RIDER, please refer to the manufacturer's customer service or support resources available on their website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
