A Battle-Ready Magazine for Your Battle-Ready AR-15

How will you feel after spending all that time, money and energy building the perfect AR-15, only to have it stop running because of a poor-quality magazine? Feed your guns the right way by stocking up on these PMX 30-Round magazines. Designed for use in 5.56 NATO AR-15s, these all-new PMX 30-round magazines are built using an entirely new kind of construction method. PMX uses the THRiL polymer matrix, which enhances durability and ensures that these magazines will keep feeding rounds in any kind of situation. Inside each PMX 30-round AR-15 magazine, you'll find a long-lasting, stainless-steel spring that bottoms out on an elastomer strike plate. At the top of the spring is an anti-tilt follower that ensures reliable feeding in all conditions. A contoured rear spline and sawtooth-style external texturing ensures you can grab ahold of these mags and load them easily, even with wet hands or wet mags. Available in black, dark earth and gray colors.

PMX AR15 Magazines 5.56mm NATO Safety Instruction Guide

Introduction

Thank you for choosing the PMX AR15 Magazines 5.56mm NATO. This guide provides essential safety instructions to ensure the safe use and handling of your magazines. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the magazine is compatible with your AR15 firearm.
- Always handle magazines and firearms with care and respect.
- Store magazines in a cool, dry place away from direct sunlight.
- Regularly inspect your magazines for signs of wear or damage.
- Keep magazines out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before inserting or removing the magazine.
- Avoid using damaged magazines; replace them immediately.
- Do not attempt to modify the magazine in any way.
- Use only the recommended 5.56mm NATO cartridges in these magazines.
- Be aware of your surroundings and ensure a safe shooting environment.
- Wear appropriate safety gear, including eye and ear protection, when using firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the AR15.
- Firmly push the magazine into the magazine well until it clicks into place.

2. Usage:

- To remove the magazine, press the magazine release button on the firearm.
- Pull the magazine out of the magazine well.
- Always check the firearm to ensure it is unloaded after removing the magazine.

3. Loading the Magazine:

- Hold the magazine with the follower facing up.
- Insert cartridges into the magazine, pushing down on the follower to create space.
- Ensure cartridges are seated properly and facing the correct direction.

4. Maintenance:

- Clean the magazine regularly to ensure proper function.
- Use a soft cloth and a mild cleaning solution to wipe the exterior.
- Avoid using harsh chemicals that may damage the polymer material.

Disposal Instructions

- Dispose of damaged or worn magazines in accordance with local regulations.
- Do not throw magazines in regular trash; check for recycling options for polymer materials.
- If in doubt, consult local waste management services for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the PMX AR15 magazines, please consult your local retailer or manufacturer's website for assistance and information.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your PMX AR15 magazines. Thank you for your attention to safety.
