## A Battle-Ready Magazine for Your Battle-Ready AR-15

How will you feel after spending all that time, money and energy building the perfect AR-15, only to have it stop running because of a poor-quality magazine? Feed your guns the right way by stocking up on these PMX 30-Round magazines. Designed for use in 5.56 NATO AR-15s, these all-new PMX 30-round magazines are built using an entirely new kind of construction method. PMX uses the THRiL polymer matrix, which enhances durability and ensures that these magazines will keep feeding rounds in any kind of situation. Inside each PMX 30-round AR-15 magazine, you'll find a long-lasting, stainless-steel spring that bottoms out on an elastomer strike plate. At the top of the spring is an anti-tilt follower that ensures reliable feeding in all conditions. A contoured rear spline and sawtooth-style external texturing ensures you can grab ahold of these mags and load them easily, even with wet hands or wet mags. Available in black, dark earth and gray colors.

# PMX AR15 Magazines 5.56mm NATO Safety Instructions

## Introduction

Thank you for choosing the PMX AR15 5.56mm NATO 30Round Magazine. This guide provides important safety information and instructions to ensure the safe use and handling of your magazine. Please read this document carefully before using the product.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before inserting or removing the magazine.
- Store magazines in a cool, dry place away from direct sunlight.
- Keep magazines out of reach of children and unauthorized users.
- Regularly inspect magazines for any signs of damage or wear.
- Never modify the magazine or use it for purposes other than intended.
- Follow the manufacturer's instructions for proper use and maintenance.

## Specific Safety Precautions for Use

- Use only PMX 30Round magazines with AR15 firearms chambered for 5.56mm NATO.
- Ensure that the magazine is properly seated in the firearm before attempting to fire.
- Avoid using the magazine in extreme temperatures or conditions that may affect its performance.
- If you experience feeding issues, stop using the magazine immediately and inspect it for damage.
- Do not exceed the magazine's specified capacity of 30 rounds.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the well until it clicks into place.

### 2. Loading:

- Use the provided follower to load rounds into the magazine.
- Ensure that rounds are seated correctly and do not exceed the magazine's capacity.
- Avoid loading the magazine in a manner that could cause rounds to jam or misfeed.

### 3. Unloading:

- Point the firearm in a safe direction.
- Remove the magazine by pressing the magazine release button.
- If necessary, manually remove any remaining rounds from the magazine.

### 4. Maintenance:

- Clean the magazine regularly to prevent dirt and debris buildup.
- Use a soft cloth and appropriate cleaning solution to wipe down the exterior.
- Inspect the spring and follower for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety concerns, please contact your local distributor or the manufacturer directly. Ensure you have the product information ready for reference.

By following these guidelines, you can help ensure your safety and the proper functioning of the PMX AR15 5.56mm NATO 30Round Magazine. Thank you for your attention to these important safety instructions.
