[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

A Battle-Ready Magazine for Your Battle-Ready AR-15

How will you feel after spending all that time, money and energy building the perfect AR-15, only to have it stop running because of a poor-quality magazine? Feed your guns the right way by stocking up on these PMX 30-Round magazines. Designed for use in 5.56 NATO AR-15s, these all-new PMX 30-round magazines are built using an entirely new kind of construction method. PMX uses the THRiL polymer matrix, which enhances durability and ensures that these magazines will keep feeding rounds in any kind of situation. Inside each PMX 30-round AR-15 magazine, you'll find a long-lasting, stainless-steel spring that bottoms out on an elastomer strike plate. At the top of the spring is an anti-tilt follower that ensures reliable feeding in all conditions. A contoured rear spline and sawtooth-style external texturing ensures you can grab ahold of these mags and load them easily, even with wet hands or wet mags. Available in black, dark earth and gray colors.

PMX AR15 Magazines Safety Instruction Guide

Introduction

Thank you for choosing the PMX AR15 30Round Magazines. This guide provides essential safety information and instructions to ensure the safe and effective use of your magazine. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with your firearm and its operation before using the magazine.
- Always treat every firearm as if it is loaded, even if you believe it is not.
- Keep the magazine out of reach of children and unauthorized users.
- Use only 5.56 mm NATO cartridges in this magazine.
- Inspect the magazine regularly for any signs of damage or wear.
- Do not attempt to modify or disassemble the magazine.
- Store the magazine in a cool, dry place away from direct sunlight and moisture.

Specific Safety Precautions for Use

- Always wear eye protection when using firearms.
- Ensure that the magazine is properly seated in the firearm before use.
- Do not load the magazine beyond its stated capacity of 30 rounds.
- Avoid using the magazine in extreme temperatures or environments that may affect its performance.
- If the magazine fails to feed rounds properly, cease use immediately and inspect for obstructions or damage.
- Report any malfunctions or safety concerns to the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded before installing the magazine.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until you hear a click, indicating it is secured.

2. Loading the Magazine:

- Hold the magazine with the feed lips facing up.
- Use your thumb to press down on the follower and insert rounds one at a time.
- Ensure that each round is seated properly and that the magazine is not overfilled.

3. Using the Magazine:

- Insert the loaded magazine into the firearm as described in the installation section.
- Pull the charging handle to chamber a round.
- Follow all standard firearm safety practices while shooting.

4. Unloading the Magazine:

- Remove the magazine from the firearm.
- Press the follower down and remove each round carefully.
- Inspect the magazine for any damage and clean if necessary.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the PMX AR15 magazines, please refer to the manufacturer's contact details provided on the packaging or product documentation.

Note: This guide is designed to enhance safety and ensure compliance with the EU General Product Safety Regulation (GPSR). Always prioritize safety and responsible use of firearms and related accessories.
