## A Dedicated Stock for Your Competition or Combat Rig

Who wants to run a mil-spec carbine buttstock these days? Not when you have options like this THRiL CCS AR-15 Competition Stock. It might say ""Competition,"" But this thing is built for battle, too, thanks to its feature-rich, lightweight design. By adding this THRiL CCS AR-15 Competition Stock to your rifle, you get three different sling-attachment slots, as well as two rotational quick-detach sling-swivel cups. The stock features an oversized cheek piece that gives you a comfortable, natural point to rest your face as you bring your carbine up into action. If that's not enough, the stock is also compatible with THRiL's adjustable cheek piece! Best of all, this lightweight CCS AR-15 Competition Stock features a snag-free latch design, so you don't have to worry about your stock adjustment tab getting caught up in your gear or adjusting your stock outside of your comfort zone accidentally. The stock is also available in black, dark earth or gray, so you can match the rest of your gun's furniture.
